5. Alternate-

★ An **alternate** elective is an elective that you want if any of your top 4 electives are full.

Things to consider:

What pathway are you wanting to pursue? **University** or **Jumpstart** (Circle One)

If you want to be on the **University** pathway-

If you want to be on the **Jumpstart** Pathway-

- Do you have an **Art** credit?
- Have you taken Spanish I If not, take that this year.
-
- Have you met your **PE/ Health** or **JROTC** requirements?

- What pathway do you want to pursue?
Architecture and Construction, Arts, Business Management, Health Sciences, or Hospitality,?
- If you're not sure, take universal electives (**bold in above list**); they will count on any pathway.

Are you a **Medical Magnet** student? You need one Sports Medicine course each year.

Do you want to attend the **Advanced College and Career Magnet Center**? Apply ASAP.

Email your counselor if you have questions.
