★ An **alternate** elective is an elective that you want if any of your top 4 electives are full.

- Are you a **Medical Magnet** student? You need one medical class.
- Are you a student athlete? You need at least 4 classes on your schedule.
- Do you want to attend the **Advanced College and Career Magnet Center**? Apply ASAP.

### Firefighter I

Next year, **Firefighter I** will be offered off campus at the fire station in Ponchatoula. You will need 2 free blocks in your schedule and transportation.

### New Class Alert!

Next year, **Cooperative Marketing Education** will be offered if you have a job. This class will look good on your resume and can count as an additional elective. Ask your counselor for more information.

*Email your counselor if you have questions.*
