Dear Community Members,

On behalf of the Amherst, Pelham, and Amherst-Pelham Regional Public Schools, we are pleased to share the most recent version of our Districts’ Strategic Plan. This plan reflects a continued commitment to providing high-quality, equitable educational experiences for all students.

This draft has been developed and refined through multiple working groups and has incorporated feedback from the School Committee. We are now seeking input from our broader community as the next step in this process.

Your perspectives are essential to ensuring that this plan reflects the values, priorities, and aspirations of the students, families, caregivers, educators, and community members we serve. We invite you to review the plan and share your feedback as we continue to strengthen and improve it. Please submit any feedback by **May 1**.

We deeply value your voice in this process and encourage you to provide feedback. Your input will play a vital role in shaping the final version of the plan and guiding our collective work in the years ahead.

Thank you for your continued partnership and support.

Sincerely,

Dr. E. Xiomara Herman
