2. Items for discussion

A. Review the March 2026 financial report

Tom reviewed the March 2026 financial report. Real estate taxes and public utilities are up. Homestead and Rollback are up due to the timing of payments.Salaries are up, but less than currently forecasted. Supplies are up due to textbook purchases and maintenance costs. We are currently performing better than forecast.

B. Pole Vault Pit

After reviewing with our insurance company, we will be moving forward with a new pole vault pit. The Boosters are talking about splitting the cost of this purchase at the next meeting.

C. Teachers and support staff contract roll over idea

We had some initial discussions regarding the idea of having our teachers and support staff rolling over their current contract until after a levy passes since the timing would be insufficient for negotiations.

3. Adjournment @ 9:45 AM
