<h2>SPEECH & DEBATE</h2>	<p>Build confidence and your voice to change the world. Join Speech and Debate! We will have students from the Ida B. Wells Team to help you to strengthen your debating skills in a fun and competitive environment! Mondays - \$150</p>
<h2>LEGOS w/ PURPOSE</h2>	<p>Come play with Lego with us. Partner with the Wells FIRST robotics teams as they work on serving the community. We'll use our resource of past sets and donated Lego to create new sets. These sets will be donated to organizations that serve children in our local community. Mondays - \$50</p>
<h2>LEGO ROBOTICS</h2>	<p>Learn basic programming using Lego based Spike and EV3 robots. Use the UnEarthed FIRST Lego League Challenge board to complete missions. Or create a robot that can catapult a small Lego or that dances and sings--You dream it, you create it! Mondays & Wednesdays - \$100</p>
<h2>ARTS & CRAFTS</h2>	<p>Time to unleash your inner artist through collage, painting, oil pastels, clay, jewelry making, embroidery, crochet, and more! This spring session is led by Ms. Geniver Garcia. Mondays & Wednesdays - \$200</p>
<h2>HOMEWORK CLUB</h2>	<p>Tackle your assignments with confidence, improve your study skills, and get help with homework for any and every class in a friendly, supportive environment with Ms. Willis Mon & Weds - Free!</p>
<h2>DRAMA</h2>	<p>Take to the stage with Hand2Mouth theater company. Students will collaborate on improv and acting games, small group and partner scenes, play critical thinking games, and work on their creative writing skills. Mon, Tues & Thurs - \$200</p>
<h2>DUNGEONS & DRAGONS</h2>	<p>Ready to partake on an imaginary adventure exploring castles, dungeons, defeating monsters, and discovering lost treasure? Create your own unique character and play through adventures, using roleplay, problem-solving, creativity, and collaboration! Led by Ms. Roach. Tuesdays & Thursdays - \$200</p>
<h2>KUNG FU</h2>	<p>Learn traditional Chinese Kung Fu along with modern martial arts in a super safe supportive environment. Anyone of any or no martial arts background can participate. Learn to kick, punch, block, grapple, and traditional Chinese Kung Fu forms. Mr. Nowland has a black belt in Chinese 5 Animals Kung Fu and a brown belt in Brazilian Jiu Jitsu. He has been practicing for over 40 years, and teaching for 30. He has studied karate, aikido, kungfu, tai chi, jiu jitsu, and muay thai. Wednesdays - Free! (4-5:15pm)</p>
<h2>ECO CLUB</h2>	<p>Are your thumbs strangely greenish in color? Do you want to get involved in engineering for our energy future? Are you ready to take the lead and develop projects that help the environment? All of this is possible if you join the EcoClub class! With an instructor from the Future Climate Collective, you will take the lead in developing projects that interest you and help our planet. Use the greenhouse, develop working wind turbines, run a plant sale, learn how to test soil and water, and more! The atmosphere is the limit with this program that has been made free for all students with grant funding from the Portland Clean Energy Fund! Thursdays - Free!</p>
