

Centreville Jr/Sr High School Annual School Report Cover Letter School Year 2024-25

February 15, 2026

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2024-25 educational progress for Centreville Jr/Sr High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about accountability, student assessment, and teacher quality. If you have any questions about the AER, please contact Chad Brady, Jr./Sr. High School Principal, for assistance.

The AER is available for you to review electronically by visiting the following website: <https://bit.ly/4rabMrN>, or you may review a copy in the main office at your child's school.

For the 2025-26 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student group in 2024-25. An Additional Targeted Support (ATS) school is one that had at least one student group performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, failed to exit CSI status in 2024-25, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no status label is given.

Centreville Jr/Sr High School was not identified as a targeted school and was not given any of the labels listed above.

A review of test scores in the data outlined below, and a comparison of 2025 results with those of previous years, indicates a continued need to evaluate instruction in the areas of reading and math. We continue to closely monitor the data available to us and have responded by offering after-school tutoring, homework recovery time during lunch, a focus room, adopting a new 7th and 8th Grade ELA curriculum in 2022-23, and a new 9th-grade ELA curriculum in 2023-24.

State law requires that we also report additional information.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Centreville Jr/Sr High enrolls students in grades 7 through 12 who are residents of the Centreville Public School District, students in grades 9 through 12 who are residents of Nottawa Community Schools District, or students who are participants in the St. Joseph County Schools of Choice Program.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN:

During the 2021-22 school year, our School Improvement Plan was moved to the new MICIP (Michigan Continuous Improvement Process) platform. During the 2024-25 school year, our junior/senior high school leadership team continued to refine and expand on our initial MICIP goal, which is as follows:

- Implement a highly effective Tier 1 instruction model that extends across all content areas to ensure student success.

A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL:

We do not have a specialized school.

CAREER TECHNICAL EDUCATION (CTE):

CTE classes are held at six locations throughout the county. Host schools include Three Rivers, Glen Oaks Community College, Sturgis, Constantine, White Pigeon, and Centreville. Centreville hosts three of the programs. Centreville High School students participated in the following CTE programs: Agriscience, Architecture, Automotive Technologies, Aviation, Computer Coding & Gaming, Computer Science & Technology, Construction Trades, Culinary Arts, Engineering, Design and Manufacturing, Engineering Design Technologies, Graphic Design, Health Sciences, HVAC/Electrical/Plumbing, Manufacturing, Marketing, Public Safety, Teacher Academy, and Welding. Students are selected for CTE programs based on their career interests as determined by the student's Educational Development Plan (EDP). The educational development plan process begins in junior high and prepares students for a CTE program choice for the junior and/or senior years.

IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL:

A copy of our core curriculum may be obtained in the administration office. In addition, a curriculum guide is available online, and in the Jr./Sr. High Office. Our current curriculum includes all of the State of Michigan's Academic Standards, as well as the National Common Core Standards.

Centreville Jr/Sr High School, yet again, had an outstanding 2024-2025 academic year. Centreville students outpaced the county in nearly every state-assessed content area and grade level. Our students also performed well compared to the average state scores in those same categories.

The success of our students is the result of not only their hard work but also because of the commitment and dedication of our teachers, school administrators, and building staff. *Together*, we can continue to move our school and **all** our students forward with their academic growth!

Sincerely,
Chad Brady
Jr/Sr High Principal
