School Community Council Terms

- Requirements - Troy
 - **Term Length:** Every elected member serves a **two-year term**. You should stagger these terms so that roughly half of your council is up for election each year to maintain "institutional memory."
 - **The "Two-Parent Majority" Rule:** Your council must have at least **two more parent members** than school employee members (including yourself).
 - **Election Procedures:** You must provide notice of elections at least **10 days** before they begin. This notice must include the election dates, times, and location, as well as the number of open positions.
 - **Leadership Compliance:**
 - **Annual Elections:** You must hold elections for the **Chair** and **Vice Chair** each year.
 - **Prohibited Roles:** As the principal, you serve as an ex officio member of the council, but you **cannot** serve as the Chair or Vice Chair.
 - **Parent Leadership:** The Chair **must** be a parent member. The Vice Chair can be either a parent or an employee.
