Youth Leadership North Fulton (YLNf), a program of the Greater North Fulton Chamber of Commerce, is currently building its Class of 2027 and is seeking student recommendations from across Fulton County Schools. The application deadline is extended.

Now in its 35th year, YLNf is regarded as the premier youth leadership program in the Atlanta area. The program brings together high school students from throughout North Fulton for a one-of-a-kind leadership experience that broadens perspectives, strengthens civic awareness, and cultivates confidence. This year's class includes 50 students from 19 different schools and we'd love to see your schools represented.

The program values a diverse cohort. We celebrate traditional scholars and students who excel in unexpected places: AP scholars, CTAE students, student-athletes, young entrepreneurs, fine arts students, STEM leaders, student government representatives, construction, automotive, theatre, the arts, and athletics. We welcome neurodivergent learners and those whose leadership potential is still emerging. The program can be life changing and some of the most transformed participants are students who simply needed someone to believe in them and open a door.
