

Business Administration

ASSOCIATES OF ARTS AND SCIENCES *Minimum of 62 Credits*

The Business Administration program at the College of Menominee Nation builds the skills necessary for a lifetime of opportunity. Through a wide variety of methods, the program fosters communication skills, analytical reasoning, and problem-solving capabilities. Graduates learn to apply their knowledge and increase their business network in the classroom and through internships, field experiences, and involvement in an active business organization. Graduates from this program may pursue employment in administration in government, business, and non-profit organizations. This degree allows students to pursue a baccalaureate degree in Business and Public Administration and a variety of related fields.
