# WARNER SPIRIT DAY

## ON FRIDAYS!

Wear your Warner spirit  
shirt every week!

Haven't purchased your shirt yet? Shop at: [warnerpto.org](http://warnerpto.org)!

Students may wear any Warner shirt or navy/blue works too!

# CFISD Chromebook Week and Device Check

## What is it?

Chromebook Week and Device Check are designed to effectively track Chromebooks and ensure that the device receives all the required updates. In addition, students can submit support tickets for any issues they encounter with their devices.

## When is it?

Chromebook Week and Device Check will be the last full week in September, November, January, and March each school year. Tuesday, Wednesday, and Thursday will be the log-in days. Campuses choose the period or time of day.

## What do we need students to do?

- Power off their devices and then turn them back on.
- Sign into their Google account and the student portal.
- Use the device for at least 15 minutes. Submit a support ticket if there are
- problems with the device.

## What kind of issues require a support ticket?

- Cracked screen
- Touch screen not working correctly
- Device won't connect to the internet
- Headphones won't work when connected
- Cracks on lid or keyboard
- Missing keys
- Won't charge
- Lost charger/case/device

## How can you help?

- Make sure that students bring their devices each day during Chromebook week.
- Help students follow the process of shutting the device down and then logging back into the device.
- Ask students if they have put a support ticket for device issues.

# PBIS Rewards

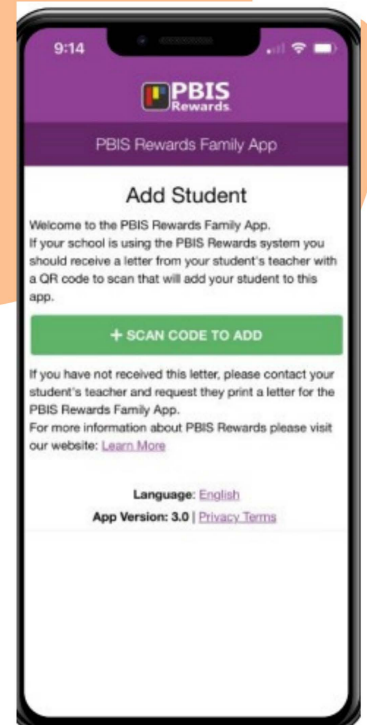

## FAMILY APP INFORMATION

### WHAT IS IT?

As part of the PBIS Rewards suite of apps, the free PBIS Rewards Family App allows parents and guardians to view student point totals, items purchased with points, and upcoming events for which points can be used.

### HOW DO I GET CONNECTED?

Once you download the app onto a smartphone, you can scan a QR code to activate a student in the app. This QR code is unique to each student and is provided to the parent via a letter from the school. The app confirms the QR code, allowing the parent to access to their student's point totals and progress as the school year goes along.

### STEPS TO GET CONNECTED

**1**

Download the PBIS Rewards Family app on your device.

**2**

Wait for a text or email from your child's teacher which will include a link and QR code to help you get connected to your child.

**3**

- Communication**
  - Two-way messaging
- Points**
  - view teacher comments for points awarded
- Purchases made by student**
- Contact information for all teachers so parents/guardians can contact staff directly from the app.**

### WHY SHOULD I USE IT?

The PBIS Rewards Family App allows parents and guardians to track the progress and point totals of students. The parent/guardian can view the information for each child. The school can generate paper letters, emails, and/or text messages to connect parents and guardians with their students within the app.

### REMEMBER...

Remember that...

- This is an easy way to communicate with your child's teacher.
- Reinforce good behavior at home.
- Have conversations with your child about the behaviors and decisions that they make at school.

# WHAT BUS DO I RIDE?

## MY RIDE K-12

Download the My Ride K-12 app to receive the most accurate transportation information for your student.

Scan the QR Code below for more information.

Register for an account with  
My Ride K-12

For questions call 713-MYCFBUS (713-692-3287).

# Health Guidance for Going to School

**Showing up to school every day is critical for children’s well-being, engagement and learning.**

**Make sure to send children to school if they are:**

- Generally healthy and well.
- Participating in usual day-to-day activities.
- Children can even go to school if they:
  - Have a mild cold, which may include a runny nose and/or cough.
  - Have eye drainage without fever, eye pain or eyelid redness.
  - Have a mild stomachache.
  - Have a mild rash with no other symptoms.
  - Have been fever free for 24 hours without the use of fever-reducing medication.

**Avoid keeping children at home unless they are too sick to participate. Please see the back of this handout for details. Note that in most situations, a health-care provider’s note is not needed to return, you can send a parent note.**

**Children may also avoid school due to anxiety (symptoms may include decreased appetite, feeling tired, stomachache, headache, etc). If you are worried that your child may be suffering from anxiety, talk with your child’s teacher, the school nurse, counselor or other school staff to discuss the challenge and identify what can help your child stay in school.**

*Please note: This document is not meant to take the place of local health department guidance about contagious illnesses such as Covid-19 and the flu.*

# Reasons to keep me home from school and what needs to happen before I can return

What is my symptom?	When should I stay home and when to seek medical care?	When can I return to school?
<b>Fever</b>	I have a fever of 100.0°F or higher. <b>Seek medical care</b> if I have fever and any of the following: ear pain, sore throat, rash, stomachache or tooth pain.	If I have been fever free for 24 hours without the use of fever-reducing medication and I am feeling better.
<b>Vomiting and/or diarrhea</b>	If I have vomited 2 or more times in the last 24 hours. If my stool is watery and I may not make it to the toilet in time. <b>Seek medical care</b> if I have stomach cramping and fever, I have bloody or black stool, or I am showing signs of dehydration (tired and sleepy, dry mouth and not urinating at least once in the last 8 hours).	If I have not had vomiting and/or diarrhea in the past 24 hours and I am feeling better.
<b>Persistent cough or trouble breathing</b>	<b>Seek medical care</b> if I have a persistent cough, difficulty breathing or trouble catching my breath or if I develop a fever with the cough. These symptoms may be signs of a serious or contagious illness that should be evaluated by a health-care provider.	Once I am feeling better and I have been cleared for return by my health-care provider. If my symptoms were due to asthma, please make sure that I have my breathing medication available to use at school.
<b>Rash</b>	<b>Seek medical care</b> if the rash has blisters, is draining, is painful, looks like bruises and/or if I develop a fever	Once my rash has healed or I have been cleared for return by my health-care provider.
<b>Eye irritation</b>	<b>Seek medical care</b> if I have eye swelling, eye pain, trouble seeing or an eye injury.	Once I am feeling better.
<b>Sore throat</b>	<b>Seek medical care</b> if I have drooling, trouble swallowing or a fever and/or rash.	Once I am feeling better if I have been fever free for 24 hours without fever reducing medication. If I was prescribed an antibiotic by my health-care provider, then I may return 24 hours after the first dose.

*If you don't know whether to send your child to school or have specific concerns regarding your child's health, contact your child's health-care provider, a local urgent care or the school nurse.*

# WARNER FAMILY HOLIDAY PLANNER

It's never too late to start planning for child care or holiday fun! In an effort to maximize our time with your kiddos, we've put all the student holidays in one place!
