FOR IMMEDIATE RELEASE

Parkview Middle School Announces 4th Annual "Jag Jog" Fitness and Fundraising Event

Ashwaubenon, WI – April 14, 2026

Parkview Middle School is excited to announce the return of its 4th Annual Jag Jog, a premier school-wide event combining physical fitness with community support. Scheduled for May 8th, the Jag Jog serves as a dedicated fitness day for all students and staff, fostering school spirit while raising vital funds for student programs.

The event kicks off during school hours with a one-mile walk/run for the entire student body. The day's activities continue with grade-level celebrations, including a post-race dance party and an outdoor field day designed to promote wellness and peer connection.

The Jag Jog is the primary fundraiser for Parkview Middle School. Last year, the event raised nearly \$20,000, which was used to offset the rising costs of transportation and fees for grade-level field trips. By reducing these expenses, the school ensures that all students have access to enriching off-campus educational experiences.

"The Jag Jog is a highlight of our year, bringing our entire school community together for a day of health and fun," said Kris Hucek, building principal. "The generosity shown during this event directly impacts our students by funding the off-campus trips and enhancements that make their middle school years so memorable."

Please join us May 8th, between 8:00 and 11:00 to experience the excitement of Parkview's Jag Jog.
