

2026-27 OUT-OF-DISTRICT TRANSFER REQUEST

Thank you for your interest in Cypress-Fairbanks ISD Virtual Pathways. While students attend virtually, they must still be linked to a CFISD campus for registration and enrollment purposes. Families that live outside of the district can use this form to apply for a Virtual Pathways Out-of-District Transfer for the campuses listed below. Our district team can only process forms that are complete and include the supporting documentation listed below:

- The last report card for the student,
- The last attendance record for the student,
- The last discipline record **or** a signed statement from the current campus indicating that the student does not have any infractions.

Please note that this form addresses the out-of-district transfer. Upon approval, a parent/legal guardian will also be required to complete new student registration via our online platform.

Parent/Guardian: Please complete one transfer request per child. Then, scan and email the request to oodtransferforms@cfisd.net. You will receive an automatic email confirmation that the request was received. A member of the Student Services team will follow up with a response to your request. Please note that:

- Transfers are valid for the current school year and are reviewed on a yearly basis. Principals review students' attendance and/or factors that may impact safety and/or academic progress.
- Transportation is not provided to/from the student's primary residence. Students may be transported to/from a state recognized childcare provider, parent, or grandparent responsible for providing before and after school care if there is a district-approved stop on a district-approved route serving the transfer campus. An agreement to provide prompt and regular transportation to and from school for the student is a required pre-condition to approval for a transfer.
- Transfer students in grades 9-12 are ineligible to participate in varsity athletics for one year from the first day of attendance at the transfer campus.
- If a student with an approved transfer is withdrawn from the transfer campus, the transfer will not be in effect if the student re-enrolls in the district.

Should you have any questions regarding student transfers, please contact the Office of Student Services/Admissions at (281) 517-6342. Questions regarding the Virtual Pathways program can be directed to virtualpathways@cfisd.net.
