*Re-enroll today for the 2026-2027 school year.*

## NOW ACCEPTING NEW STUDENTS

*Refer a family member or friend.*

Welcome to Spring and Spring Testing!! As the days grow longer and the flowers begin to bloom, we are excited to usher in the season of Spring!

Spring is a time of renewal, and it's the perfect moment to reflect on all the progress you've made so far this year.

With Spring Testing beginning, it's important to stay prepared and calm. These assessments are a way for you to show off all the knowledge and skills, and we are confident you'll do your best. Here are some helpful tips to make the most of this testing season:

**Stay Organized:** Keep track of your test dates and times. Use a planner or calendar to mark important dates.

**Rest Up:** A good night's sleep before the test is crucial. Aim for 7-8 hours of rest so your brain is ready to perform at its best.

**Stay Positive:** Test anxiety is normal. Trust yourself and your abilities. You've got this!

**Ask for Help:** If you're feeling unsure about anything, reach out to a staff member. We're here to support you every step of the way.

As we head into the final stretch of the school year, remember that every effort you make now will pay off. Let's keep that Spring spirit of growth, renewal, and achievement alive through the rest of the school year.

Wishing everyone a successful Spring Testing season, filled with confidence and bright moments. Let's make this season one to remember!

-Mrs. Trena Braswell  
Director of Charter Schools
