Sharing District Survey Data- 18 out of 20 statements, Salemwood exceeded the District!

Parent of special ed student- having no team chair and/or fill ins was difficult last year.

ILT team has been looking at the lower score with helping Special needs- although we need more staff; acknowledge with SST process to give more intervention and not necessarily needing an IEP.

Next year:

1. Work on Parent networking- i.e. playground date; FTO can assist- not only fundraising but meeting one another and connecting and sense of community/belonging.
