| <p>Pupils should focus on revising the work that we have covered since September 2024 in preparation for their GCSE examination which takes place on Friday 22nd May at 1pm. This written examination is worth 40% of the final grade. Revision packs are available for collection from N1.</p> | <p>Bring an example of a 6 week training programme in a sport of your choice. This will have to show progression each week and needs to be fairly detailed concentrating on one area of fitness i.e cardio or strength. The programme is not just based in the gym but can be aimed at endurance events like running, biking, track. There are many examples performing a straightforward google search.</p> | <p>Focus is solely on revision now ahead of your theory exam. Revision sessions run each week. All revision materials are available on Google Classroom. Also use <a href="#">bbc website</a> for additional materials or just ask any member of the well-being team.</p> | <p>The key to this half term is revision. What do you know about:<br/>           The milestones that children meet and pass through?<br/>           What activities can support children moving through milestones?<br/>           The factors that can impact a child's development?<br/>           How we can mitigate against these factors?<br/>           The different stages and types of play?<br/>           How to plan different activities to utilise play to support an aspect of child development.</p> |
