Transportation fees are non-refundable after the start of the session.

Safety is just as important during the summer months as during the school year. Students should be at the stop 5 minutes before the scheduled pick up time and should never chase after or run along side a bus. Students should observe the same standards of conduct as during the school year. The same bus rules are in effect.

Students will not be routed before payment is received. Students are not allowed to adjust their busing plans without parental permission. Please call Lamers if changes are needed. 920-498-3600 ext 10114 or email christerpstra@golamers.com

To assure your child/children a seat on the bus the first day, Lamers must receive payment by Monday, June 1, 2026. Can I sign my child up after the session starts? Yes, you can.
