School board members are required to complete continuing education as outlined by the State Board of Education (SBOE). The board president must annually announce whether each trustee has met these requirements in accordance with Tex. Educ. Code §11.159 and 19 Tex. Admin. Code §§61.1 and 61.3. The areas of required training are reflected in the accompanying table.

Please note, this annual announcement does not include open government or cybersecurity training required under other laws. Tex. Gov't Code §§551.005, 552.012, and 2054.5191 mandate that:

- Open Meetings Act (OMA) and Public Information Act (PIA) training be completed by all elected officials within 90 days of election or appointment (PIA training may be delegated by district policy), and
- Cybersecurity training be completed by all school board members on an annual basis.

This report was generated in alignment with Texas Education Code §61.1 and reflects trainings provided by TEA-registered providers, based on data available at the time of reporting. The district is the official record keeper for trustee continuing education. Any discrepancies regarding provider status, training hours, or reporting should be resolved at the district level.
