Girls' Basketball Coach Hired

As many of you are probably already aware, we have hired our next coach to lead the Lady Huskies. Mrs. Ebony Norman has been the head coach at Borah High School for the last four seasons. During this time, her teams have gone from very few wins to two straight appearances in the state tournament. Ebony lives in Emmett, and she loves coaching and spending time with her children. We are excited to see what the future holds for Lady Huskie Basketball.

SAT Testing

SAT testing took place on March 10th. We are still waiting to see how our students performed, but I will share that information once I have it.

EHS Registration

Registration is currently complete at EHS. As noted in the "looking ahead" section, we will register EMS 8th graders on April 6th. Registration is the first step in determining how many sections of classes we will need and how many teachers we will need in order to fill these sections. There will be more to come, but our philosophy with registration is to build a schedule that meets the needs of as many of our students as possible.

Graduation Status for Many Senior Students

I am sad to report that we have more 12th grade students than I have ever had who are in danger of not graduating. I believe we have approximately 27 kids on the bubble right now. We are not going to give up on these kids. We are talking to them, we are talking to their parents, and we are going to continue to do so until the end of the school year. Many of these students have early release so we are pulling this privilege from them until they get rid of their failing grades. More information will be provided in my next report.
