

Emmett Middle School  
Board Report  
April 2026

Our Academic Team closed out the season as IVL Academic Bowl League Champions! A huge thank you to Mrs. Hyde and Mr. Loftus for their stewardship of the program this year. Congratulations to this hard working group of students!

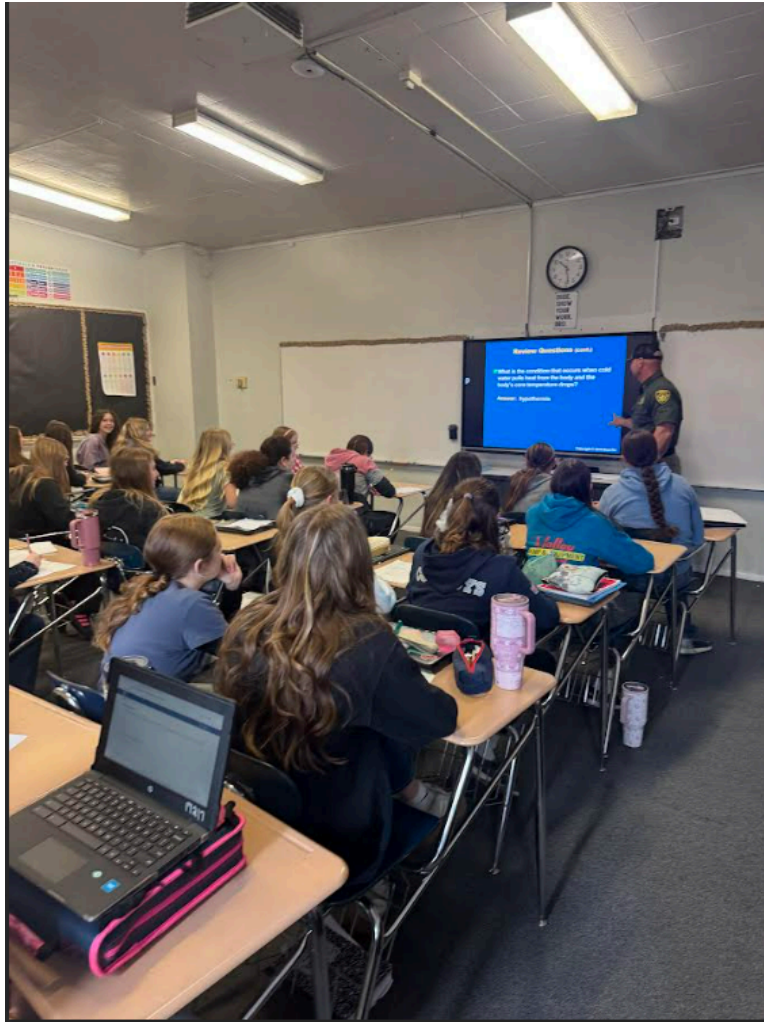

### **Academic Intervention**

EMS has instituted credit recovery options for our students who are in jeopardy of meeting the Pathways to Promotion Policy. Students can utilize credit recovery classes during the school day in exchange for an elective period. We also offer Friday School from 9:00-12:00 two Fridays a month and after school tutoring in the areas of math, English, and science on Mondays and Wednesdays.

### **ISATs**

We're currently keeping busy preparing for state testing in April to ensure we're prepared logistically to coincide with construction, as well as accommodating students' testing needs. Mrs. Pitman, our instructional coach, works hard to foresee potential conflicts.

The Gem County Sheriff's Office joined us for a week long class, teaching our PE students about watersports safety.

### Happening in April

- April 1-2 P/T Conferences
- April 3 Friday School
- April 6 HS Registration
- April 7 MTSS Team
