 - [Strategic Technology Plan](#)- Updated May 2025
 - [School Technology Goals](#)- 2025-2028
 - The observation of parents that there were too many apps/sites being used on campus. These goals are the effort to consolidate these apps/sites and passwords.
 - Parents will soon have the ability to monitor the after-school hour usage of the tablets.
 - Technology Tuesdays have begun.
 - St. Gabriel is working for STEM certification through Cognia.
 - Working on a school policy regarding AI.
 - Joey mentioned that an intro to AI class for parents and students would be beneficial.
 - Brandon mentioned “Gemini” being used at this school to provide additional tutoring services to students.
 - The technology committee meets every other month.
 - Map testing is now completed within one week due to the amount of tablets available.
 - There is a specific window of time in which MAP testing needs to be completed.
 - St. Gabriel participates in MAP testing during the winter just to be growth minded. Fall/Spring testing are the true markers of growth.
