

CALPERS RETIREE EARNINGS PAID THROUGH ACCOUNTS PAYABLE

Per the California Public Employees' Retirement System (CalPERS) Letter 200-050-12 *Implementing of PEPPRA 2013*, employers are required to report post-retirement earnings by PERS retirees who are hired as independent consultants/contractors with direct relationship, and are paid through accounts payable. In addition, retirees number of hours worked in a fiscal year can't exceed 960 hours. For more information regarding employing a retiree, refer to the guide, *Employment After Retirement*, which can be located on the CalPERS website www.calpers.ca.gov.
