RE: FOOD BROUGHT INTO CAFETERIA

FOOD SERVICE

Pendleton County food service participate in National School Breakfast and Lunch Program, which is a federally assisted program. Under this program we are under strict rules and regulations, to provide foods and beverages in the cafeteria that are low in fat, sugar and sodium. In order to support student health and meet federal guidelines, we have placed guidelines for food and beverages allowed in the cafeteria.

- Any outside food or beverage from home may be brought into cafeteria in a lunch box or appropriate Container.
- Students are not permitted to bring fast food items in branded restaurant packaging (bags, cups, cans or wrappers) into the cafeteria.
- Energy drinks or soft drinks are not allowed in the cafeteria due to health and nutrition concerns.
- There are items that can be purchased as student go through the cafeteria line such as “Smart Snack Complaint” chips, drinks, ice cream. To purchase a la carte items, you must have money in hand or in your cafeteria account.

The school reserves the right to address any items that may disrupt the cafeteria environment or do not align with school nutrition expectations.

Thank you for your support in helping us promote healthy habits for all students

This institution is an equal opportunity provider
