FREE PRE-PARTICIPATION PHYSICAL EXAMS FOR WEST FLORIDA HIGH SCHOOL ATHLETES!

What: Sports Pre-Participation Physical Exams provided free of charge by Baptist Health Care

When: Saturday, June 6, 2026: 1:00 P.M. (Last Name A-K)
1:30 P.M. (Last Name L-Z)

Assigned times will be strictly adhered to for event entry

Where: Andrews Institute, 1040 Gulf Breeze Parkway

Who: West Florida HS student-athletes (entering grades 9-12) participating in FHSAA sports ONLY

IMPORTANT INFORMATION

- The four-page FHSAA EL2 Physical Form (version "Revised 2/26" or later) is the ONLY form version accepted at this event. Please print single-sided and do not fold pages.
- Parent/Guardian signatures on pages 2 & 4 are REQUIRED for event entry. Parent/Guardian signature on the FHSAA EL2 Physical Form provides acknowledgment of consent for the child to receive a sports physical exam. Prior to arrival, parent/guardian should fill out all medical history and demographic information on all pages.
- The pre-participation physical exam includes height, weight, vision, orthopaedic movement screening, blood pressure, and an evaluation by a physician or advanced practice provider.
- Once completed, physical forms will be returned to the student-athlete. Each student-athlete/family is responsible for ensuring the Medical Eligibility Form (page 4 of the EL2 form) is submitted to their school before participation.
- Student-athletes should wear athletic attire and bring/wear any prescription eyewear.
- *Who We Play For* will be onsite providing a limited number of low-cost ECGs. If an ECG screening assessment is needed (all new FHSAA high-school-aged athletes) or desired (any returning athletes or new middle-school-aged athletes), parent/guardian must complete the pre-registration online at https://www.whoweplayfor.org/heart-screening-registration. See the additional information flyer for more details from *Who We Play For*.
