Celebrating our Teacher of the Year

Mrs. Sarah Silva has touched the lives of so many of our Lacey students! We are very lucky to have Mrs. Silva at Mill Pond. We took the time to celebrate and hold a parade to show how much we appreciate all her hard work!

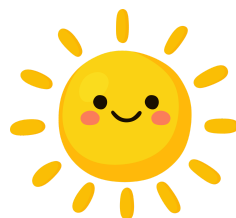

One Big Community

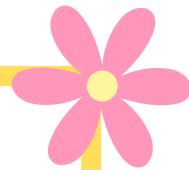

We were so very lucky to have the talented students from Lanoka Harbor School and Cedar Creek come to visit Mill Pond. They shared their wonderful musical talents as they performed for the students. We are working hard on our audience expectations. Thank you so much for sharing with us!

Starting the Morning off in a Positive Way

Our preschool and kindergarten students continue to hurry to the main office each morning to fulfill their role as our morning speakers. Our students take pride in knowing that they have a responsibility each morning to start our day with The Pledge.

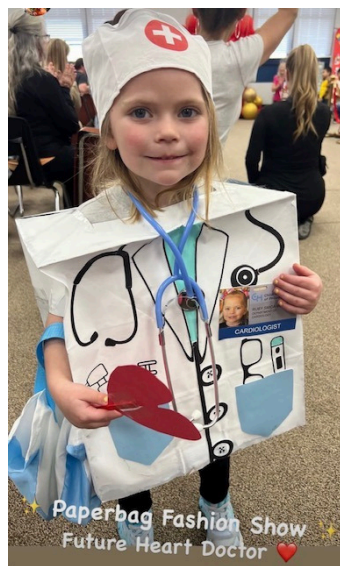

PreSchool Fashion Show

Our preschool students have been immersed in clothing! The classes during their clothing study have discovered all types of clothes, materials, textures, as well as uniforms and who wears them. They used handmade washers and dryers to pretend to clean the clothes and learned how to fold them!

At the end of the unit, as a family project, they had the opportunity to create an outfit from a paper bag. They strutted their creations down the red carpet at their fashion show.

Color Run Fun!

The PTA hosted a Color Run for the Mill Pond community. This fundraiser was a huge success. The plumes of color created lovely clouds across the back field. With music and food trucks, a great family event made the evening a huge success!

Read Across America 2026

Lanoka Harbor School celebrated National Read Across America Day on March 2nd. This day was originally established by the National Education Association in 1998 to help get children excited about reading. The day takes place on the birthday of Dr. Seuss, the beloved children's author. On National Read Across America Day, students, teachers, and parents around that nation come together to read books and celebrate the joy of reading.

Here at Lanoka Harbor School many of the classes enjoyed special guest readers who came to read a book to the class. Members of the Lacey Woman's Club also served as guest readers and sponsored a poster contest for our 3rd-grade students.

The winners were as follows:

1st place - Charlize Watson

2nd place - Elliana D'Autorio

3rd place - Harleigh Reiff

Thanks to the participation of many guest readers, the day was enjoyed by all!

We would like to take the time and thank the Lanoka Harbor School staff members, Lanoka Harbor School PTO, and the LTEA for the necessary items and time to make this event a success. A great time was had by all in attendance!
