The Delaware Hayes Pacer Football Coaching Staff is proud to host the 2026 Pacer Champion Buddy Football Camp.

Our goal for this camp is to allow students with developmental disabilities to have the opportunity to participate in football drills, learn skills, grow the love of football, and most importantly - HAVE FUN!!!

Campers will be paired with a current coach or player in the Delaware Hayes football program to do drills and participate in football activities.

Parents, caretakers, and aides are more than welcome to join in on the fun and help with the campers! Parents and guardians will be able to follow along on the field with their campers. Participants will be active and moving around to different stations around the field.

Our Goal is to make sure every camper has a memorable day and has **FUN!**
