

Celebrate Graduation with a Free Green Screen Photo at Volusia County Public Library

Graduation is a milestone worth capturing—and Volusia County Public Library is helping graduates of all ages do just that in a creative and memorable way. Whether completing kindergarten, eighth grade, high school, or college, community members are invited to dress their best and stop by for a free green screen graduation photo.

At participating branches, library staff will photograph graduates in front of a green screen and digitally place them into a variety of themed, celebratory backgrounds. From classic commencement scenes to fun and imaginative settings, each photo becomes a personalized keepsake marking this important achievement.

Participants are encouraged to wear formal attire and bring their cap and gown, along with any fun props that reflect their personality or accomplishments. Please note: to ensure the best results, avoid wearing green, as it will blend into the background during the editing process.

Photos will be taken on a first-come, first-served basis, and no registration is required. An email address is necessary to receive the finished image.
