

CLASS *of* 2030 ACADEMIC GUIDE

JSERRA CATHOLIC HIGH SCHOOL

YOU WERE MADE FOR

GREATNESS

#LIONNATION

April 15, 2026

Dear Parents,

On behalf of the JSerra faculty, staff, and administration, we want to welcome you to JSerra Catholic High School! Thank you very much for entrusting your sons and daughters to us. We are excited to begin the 2026-2027 school year with you all. Working in collaboration with families, we share the common goal of developing these young adults academically and spiritually to prepare them for college and beyond. We also aim to form each student by developing their faith, intellect, and character.

In this booklet, you will find resources to help you and your student navigate their freshman year at JSerra. It contains important dates, frequently asked questions, and information regarding many opportunities we offer freshmen and parents. Supporting our students and their success is at the heart of what we do at JSerra.

Our Counseling Department is dedicated to creating a personal relationship with each student and family. We begin building a relationship with each student to develop a customized academic four-year plan. This plan will build upon their strengths and optimize academic performance and opportunities. Counselors begin college discussions with our freshmen and encourage them to participate in extracurricular activities, enhancing their college options.

As a college preparatory high school, we encourage students to be proactive in their education. By guiding our students to become their own advocates, they will have the tools to succeed in college and life. JSerra values and desires your input as we recognize that parents are the primary educators of their sons and daughters. We look forward to working together on your student's journey from high school to college.

God bless your family.

Siempre Adelante,

Denise Pascoe & Your Counseling Team

the COUNSELING TEAM

Vice Principal of Academics

Mrs. Denise Pascoe

Director of College Counseling

Mr. Garrett Roldan

Academic & College Counselors

Ms. Lily Castor

Mr. Ryan McCarrell

Mrs. Michele Murphy

Mrs. Catherine Strull

Mrs. Danielle Van Ginkel

Ms. Jamie Viken

Registrar

Mrs. Shelley Dever

Counseling Administrative Assistant

Mrs. Nicole Roldan

THE COUNSELOR ROLE

ACADEMIC

- Comprehensive 4-year planning
- Personalized course advisement
- Scheduled course selection meetings
- Goal setting and learning support

COLLEGE

- College planning and application guidance
- College Representative visits and College Fair
- Individual junior and senior college meetings
- Scholarship, summer programs, and financial aid resources

COLLEGE COUNSELING

As a college preparatory high school, JSerra offers a variety of classes, resources, and opportunities to support students on their journey to college.

Here are some of the college event opportunities offered throughout the school year:

Open to All Grade Levels

- College Fair
- Student and Parent Grade Level Nights
- College Admissions Representative Visits
- College Admissions Case Study

Open to Seniors

- College Admissions Bootcamp (offered during the summer)

Scan to visit our College Resource page or visit **jserra.org** and navigate to “College Resources” in the portal.

STUDENT SUPPORT

STEPS TO FOLLOW FOR ACADEMIC SUPPORT

1

Start with your teacher

- Arrange a time that is convenient for you and your teacher to meet
- Utilize office hours for tutoring, reviewing lessons, addressing any questions/concerns.

2

See your Academic and College Counselor for assistance with time management and study skills

- Email your counselor or scan the QR code outside their door to set up an appointment.

3

On-campus tutoring is available for various subjects

- Free tutoring from National Honor Society (NHS) students. A list is available from your counselor.
- Math Lab for Algebra 1/Honors and Algebra 2/Honors.
- Some teachers tutor - see the counseling portal for more information.

LEARNING & ACADEMIC SUPPORT (LAS)

JSerra Catholic High School recognizes the unique gifts of students diagnosed with learning challenges. We provide focused academic support tailored to students' individual needs. The Learning and Academic Support program strives to help students realize their potential and empower them to achieve their academic, social, and spiritual goals.

For more information or to apply for one of our programs, visit our website or contact our LAS Department at las@jserra.org.

WELLNESS SUPPORT

THERAPISTS

JSerra has therapists on staff to provide comprehensive and individual family services to help students meet and overcome challenges and gain the necessary skills to reach emotional and social maturity. Support is offered to students who are referred through their Academic and College Counselors and teachers and in crisis situations. Parental permission is sought, and confidentiality is observed. Services are available daily before, during, and after school.

PARENT AND STUDENT FORMATION

- Bi-Annual Speaker Series
- Coffee with Courtney
- Identity Formation (once per quarter)

DR. COURTNEY HARKINS
Clinical Supervisor / Therapist
Courtney.Harkins@jserra.org

SETTING UP *for* SUCCESS

Be Present

- Minimize unnecessary absences
- Meet attendance requirements per the Parent-Student Handbook
- Communicate with your teachers in advance regarding extra-curricular-related absences including sports, retreats, field trips, and school-related absences

Understand the Course Syllabus for Each of Your Classes

- Grading policies and procedures
- Homework requirements and expectations
- Required classroom materials

Get Organized

- Specific folder or binder for each subject
- Utilize a planner for assignments, assessments, and other commitments (practices, rehearsals, volunteer hours)
- Check your JSerra email daily

Build a Relationship with Your Teachers and Counselor

- Show courtesy and respect
- Utilize office hours
- Participate in class

Manage Your Time

- Build consistent study time into your daily routine
- Maintain a healthy school-life balance
- Keep work with you to use extra time for studying or homework
- Prioritize getting 8-10 hours of sleep per night

Check Schoology Regularly

- Teachers use Schoology to post homework, grades, files, links and other important information
- Students: access all class information and grades
- Parents: observe student assignments and grades

Get Involved in Campus Ministry, Clubs, and Activities

- Attend the Club Fair at the beginning of the year
- Join service, extra-curricular, and social clubs
- Sign up for a class retreat

CHALLENGE EXAMS

If you would like to be placed in a higher-level math, science, or world language class, you will be required to take a challenge exam.

Mathematics

Saturday, April 25 9:00 a.m. - 10:30 a.m.

Tuesday, April 28 3:30 p.m. - 5:00 p.m.

World Language

Saturday, April 25 11:00 a.m. - 12:00 p.m.

Monday, April 27 3:30 p.m. - 4:30 p.m.

Science

Wednesday, April 29 3:30 p.m. - 4:30 p.m.

When signing up, you must indicate which language exam you are requesting in the Admissions Applicant Portal. Students who want to test into Spanish 1 Honors, Spanish 2, and all level 2 and above World Language classes must take the World Language Department Challenge Exam.

Sign up online through the Admissions Applicant Portal to take the corresponding Challenge Exam(s) on the scheduled dates. To best serve the needs of students, it is highly recommended that only 1 test be taken on Saturday, April 25.

FRESHMAN IMMERSION

It is a requirement that all incoming freshmen attend one four-day session of Freshman Immersion during the summer prior to their freshman year. This course is designed to help students achieve success in their high school years. The goals of this course are to intentionally build community, engage in formation of our mission, and acquire the necessary technology skills to be successful in the day-to-day requirements at JSerra.

Freshman Immersion Dates:

June 8 - June 11

June 23 - June 26

July 7 - July 10

Class sessions are from 8:30 to 11:30 a.m.

COURSE SELECTION

There are seven periods in the school day:

- Theology
- English
- Math
- Science
- World Language
- Social Studies or Elective (one year of Social Studies is required either freshman or sophomore year)
- Magnet/ LAS Advisory/ Elective

Course Selection Meetings

To select your courses for the 2026-2027 school year, all students must sign up for a Course Selection Meeting with your assigned counselor. Meetings are 20 minutes beginning on May 6 and ending on May 21. Meeting times are available 2:00 - 5:00 p.m. All course requests will be given equal consideration after May 21. Students are not disadvantaged by meeting with their counselor anytime during the course selection period. If you have any questions, please email askcounseling@jserra.org.

Please select alternate classes that you would like to take in case a conflict in your schedule arises. Conflicts may arise based on the master schedule. For example, Mandarin 1 may be only offered at the same time as Guitar.

Course Placement

At JSerra, we take course placement seriously to ensure your son or daughter is placed correctly for success.

MAGNET PROGRAMS

JSerra offers highly acclaimed professional Magnet Programs

BUSINESS

ENGINEERING

LAW

MEDICAL

Magnet Programs are designed to prepare students for college curriculum specific to their discipline and introduce them to potential future careers. An additional fee is required for participation in a Magnet Program. Magnet Programs will accept sophomore transfers as space allows.

For specific information, please contact the individual Magnet Director found on the JSerra website.

HUMANITIES

BACKGROUND

Our Humanities Program is a two-period course that presents an integrated English and Theology curriculum in the tradition of the Classical Liberal Arts. Drawing on the great thinkers, writers, philosophers, and artists of Western Civilization, the course will form students' minds through an education of the heart.

Humanities takes a thematic-historic approach that follows a four-year trajectory from the Ancients to Post Modernism, studying the foundations, high points, and centrality of Christian culture and the Catholic worldview in forming an understanding of the human person. Focusing on readings in English and Theology from the Western canon and Christian culture, the program will seek to uncover the common thread that weaves all great ideas together: Christ revealed through the good, the true, and the beautiful.

DETAILS

The interdisciplinary, two-course program uniquely combines Theology and English in a thematic-historic curriculum. Students will earn a total of 20 academic credits (10 Theology Honors and 10 English Honors). Class enrollment will cap at 20 students, conducive to vibrant discussions. Instruction will be conducted in a seminar-style approach. Candidates should be prepared for substantial independent reading and active class participation.

Learn & Apply:

For more details on next year's Humanities Program, visit jserra.org/humanities

Prerequisite:

Students must qualify for English 1 Honors through the results of their HSPT.

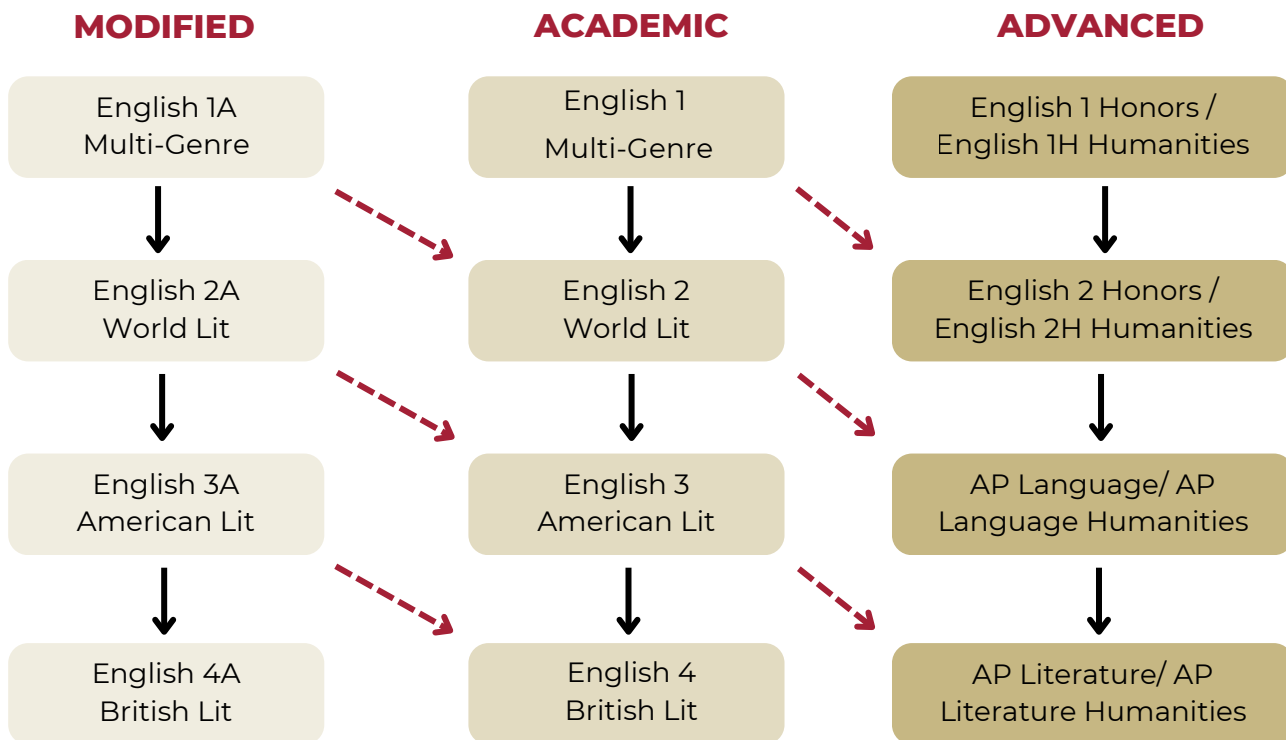

Four-Year Themes:

Freshman	The Origins of Christian Culture
Sophomore	The Christian Worldview
Junior	Christianity and the Threats of Modernism
Senior	Christianity's Response to Modernism

CURRICULAR PATHWAYS

- Placement is based on the HSPT Exam and optional Challenge Exam.
- Three years of science are required for graduation.
- Four years of science are recommended for college admissions.

STUDENT LIFE

Associated Student Body (ASB) focuses on three main pillars:

Leadership

Spirit

Community

In this class, you will be on the front line of all student activities at JSerra and will be able to create a one of a kind high school experience for all students. Being a leader on campus is a lively experience and will help foster life-long leadership skills. At JSerra, we are a family community and ASB is at the heart of school spirit and the center of FUN!

- Continue the LION SPIRIT legacy events as well as create new traditions
- Experience behind-the-scenes excitement in all student activities
- Create fun memories while developing leadership skills
- Participate in various events including dances, spirit weeks, lunch activities, sporting events, and more!

Upcoming Events

Friday, August 21 Welcome Back Rally
Friday, August 21 Welcome Back Dance
Friday, August 28 Club Fair

HOUSE SYSTEM

Fun

Connection

Mentoring

Leadership

Our House System is designed so students can have fun while cultivating community, provide mentorship, and teach students what it means to lead from a biblical perspective. JSerra has 6 Houses, each named after significant places in St. Junipero Serra's life.

What is a House System

- Within each House students spend three periods a week in their "Homeroom" with a Mentor Leader.
- While every House is comprised of male and female students from all grades, the "Homeroom period" is single sex made up of Freshman, Sophomores, Juniors, and Seniors.
- Students remain in the same House all four years in order to develop authentic relationships with their peers and Mentor Leader.
- At the end of every year, the House with the most points wins the JSerra Cup. Some of the ways Houses earn points is through House vs House competitions, House Spirit, participating in JSerra events, and service projects.

Upcoming Events

- Thursday, August 6 Freshman Orientation Day | Freshmen find out what House they are in
- Friday, August 14 Den Photo Day
- Friday, August 21 House Spirit Day and Friday Night Lights House Competition
- Wednesday, December 9 . . . Deck the Halls and Tree Lighting

ALTA HOUSE

CARMEL HOUSE

MONTEREY HOUSE

PETRA HOUSE

SAN ONOFRE HOUSE

VENTURA HOUSE

POLICY REMINDERS

Please see the Parent-Student Handbook for further questions and the complete explanation of school policies. The handbook can be accessed on our website.

Cell Phones & Electronic Devices

Students are permitted to possess cell phones on school property and at school-sponsored events. It is the student's responsibility to ensure that the device is turned off and out of sight during regular school hours. If a student needs to use their cell phone, he/she must have the express permission of a JSerra employee. All electronic devices follow the same guidelines for acceptable use as cell phones. Smart watches are completely prohibited during test environments and must be removed from the student's wrist and stowed away during a test. Headphones, earphones, or earbuds may only be used during the school day with permission from teacher or moderator. Unauthorized use and/or presence will result in disciplinary action. JSerra representatives may confiscate the cell phones or other electronic devices.

The consequences for violation of the cell phone or all other electronic device usage policy are listed below:

- **1st Violation:** Cell phone or other electronic device is confiscated and given to the Deans. Cell phone or other electronic device will be returned to parent/guardian only.
- **2nd Violation:** Cell phone or other electronic device is confiscated and given to the Deans. The student will be required to serve one day of Saturday School. Cell phone or other electronic device will be returned to parent/guardian only.
- **3rd Violation:** Cell phone or other electronic device is confiscated and given to the Deans. The student and parents will be notified that the student may no longer bring a cell phone on campus. Cell phone or other electronic device will be returned to parent only.

Attendance

If the student is to be absent for any part of a school day, the parent or legal guardian must email the Attendance Office (attendance@jserra.org) on the day of the absence.

Absent

Provide the following information:

- Parent/guardian name and relationship to student
- Student's full name and grade
- Reason for full day/partial day absence
- What time a student will be picked up or leave if he/she needs to leave early
- Parent/guardian phone number should confirmation be necessary

A full-day absence is defined as missing an entire school day. Partial day absence is defined as missing Mass or one or more periods during any part of the school day.

Leaving School Early

Please note that there will be no phone calls to the classroom for student release. Students should check in with the Attendance Office before school or during break if they are leaving school early

School-related absences include:

- Conference with school officials (i.e., Counselor, Administrator)
- JSerra extra-curricular activities (i.e., sports)
- AP exams
- Campus Ministry activities (i.e., retreats)

Progressive Absence Policy

- Eight (8) and nine (9) non-school-related absences of any classification in any class per semester will result in a written notification sent to parent/guardian.
- Ten (10) to fifteen (15) non-school-related absences of any classification in any class per semester will result in a one-letter grade drop in the student's semester grade.
- Sixteen (16) to twenty (20) non-school-related absences of any classification in any class per semester will result in an additional one-letter grade drop in the student's semester grade.
- Any absences beyond 20 absences will result in loss of credit.

Mass Attendance

Wednesday Mass is as much a part of JSerra's curriculum as its daily classes. Absences are not excused except under very particular circumstances such as bereavement or an illness that prevents a student from attending school. Doctor appointments are not considered excused absences for classes or for Mass.

The consequences for missing Mass in a given year will be as follows:

- Miss four (4) Masses: Conference with Vice President of Mission and Faith plus detention
- 5th miss: One (1) Saturday School
- 6th miss: One (1) day suspension from school
- 7th miss: Three (3) day suspension
- 8th miss: Meeting with Disciplinary Review Committee to discuss expulsion

Attendance and Participation in Extracurricular Athletic/Activities/Events

- Students attending any multi-day school activity
 - Athletics, etc.: will receive one (1) extra day for make-up work
 - Kairos: will receive two (2) extra days for make-up work
 - Thursday-Friday Retreats: will receive the same number of periods for make-up work that the student missed.
- A late-night school-sponsored event is not an acceptable excuse for missing school the next day.
- Unless there are extenuating circumstances, students are ineligible to participate or attend an athletic contest/practice or any extracurricular activity unless they are in attendance by the beginning of the third hour of the school day on the day of the practice/event, except minimum days. Students must be in class for the entire minimum day to attend sports events and dances.
- A student who leaves during the school day due to illness may not attend or participate in any extracurricular activities (i.e. practice, game, performance) on the day of the partial absence.
- Students must be in class for the entire minimum day to attend sports events and dances.

FREQUENTLY ASKED QUESTIONS

For additional FAQs visit <https://www.jserra.org/parents-students/counseling-portal/faqs>

Q. What is the difference between CP, Honors, and AP classes?

CP - College Prep courses prepare students for the rigor of college.

Honors - Honors classes provide more depth and insight into the subjects at hand and at a faster pace. Honors courses have a higher demand for homework and projects and are counted +1 point higher towards GPA.

AP - Advanced Placement classes are college-level classes. The workload is significant with 4-7 hours of work per week. Each AP class culminates in a subject-specific exam. AP courses are counted +1 point higher towards GPA.

Students prove readiness to move from a college prep (CP) class to an honors/AP class by demonstrating mastery and meeting the prerequisites for the next course in their pathway. Students must complete all required summer assignments for any course.

Q. How do I become eligible for Honors or AP classes my sophomore year?

Prerequisites for all classes can be found in the Course Catalog on the JSerra website under “Academics.” Students are encouraged to understand the requirements for the Honors and AP classes available at JSerra.

Q. What is the testing timeline?

	FALL	SPRING
Freshman Year	CLT	Practice PSAT
Sophomore Year	Practice PSAT	CLT
Junior Year	PSAT/NMSQT	Practice ACT
Senior Year	Official SAT/ACT Testing	N/A

ONLINE PLATFORMS

Schoology

A learning management system where teachers post homework, files, and grades. Students and parents should check Schoology regularly to ensure assignments have been submitted and observe grades.

Naviance

A college and career readiness platform used by students, counseling and faculty to organize and assist students throughout the college application process. Students will use Naviance to help build their resume, take self-discovery assessments and develop their college list.

PowerSchool

This school information system is an online portal that parents can log in to and see all of their student information in one place such as grades, attendance, and schedules. Login support and information is located on our website.

Titan HST App

An application that gives us the ability to communicate with staff, students, and parents when there is a possible emergency on campus. Students can use the app to notify school personnel if they see something suspicious on campus or if they have a specific concern .

x2VOL

A service tracking website where students record their volunteer projects and have them approved for their 80-hour service requirement. Student accounts are created for them with their JSerra email address. Instructions to log in will be sent to all families over the summer, and students will be trained on how to use it during Freshman Immersion.

***For help regarding any of these online platforms, please contact our IT Help Desk at support@jserra.org or call 949.493.9010.**
