NONDISCRIMINATION NOTICE

Career and Technical Education

Notice is hereby given that Krum ISD offers Career and Technical Education (CTE) programs in accordance with all applicable federal and state laws. In compliance with requirements of the Office for Civil Rights (OCR) of the U.S. Department of Education and the Texas Education Agency (TEA), the District does not discriminate on the basis of race, color, national origin, sex, disability, or age in its CTE programs, services, activities, or employment practices.

These requirements are established under Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and Title II of the Americans with Disabilities Act of 1990. Admission to CTE programs is based on student interest, aptitude, age appropriateness, and course availability.

Krum ISD will take steps to ensure that lack of English language skills does not serve as a barrier to admission or participation in any educational or vocational program. It is the policy of Krum ISD not to discriminate on the basis of race, color, national origin, sex, disability, or age in its employment practices.

Information about student rights, grievance procedures, and contact information for Title IX and Section 504 coordinators may be obtained by contacting:
