Your attention is drawn to the following requirements for giving notice:

5. Financial problems relating to payment of fees

If you do have any financial difficulties affecting your ability to pay fees and/or charges in either the short or long term, it is very important that you contact the Finance office immediately. Experience shows that, the earlier such problems are addressed the more likely a solution will be found.

6. Students' Insurance

Clothing and Personal Effects – please note that:

- students' clothing and personal effects are **not** covered by the school's insurance for damage or loss except in the case of a fire at the School, and then only up to a limited value;
- you are therefore strongly advised to ensure that these personal items are covered by your Household Insurance Policy while away from your home;
- in particular, you should also check that expensive items such as musical instruments, electronic equipment and any bicycle brought to school are adequately insured and kept at a secure location while in school; and each student's clothing and personal effects should be clearly marked with his or her name.

Personal Accident – please note that:

- all students on the RGS register are automatically insured by the school through a personal accident insurance policy. It provides cover in the event of death or serious injury following an accident and a range of other covers including disfigurement scarring, dental injuries and emergency dental treatment costs following an accident.
- Exclusions do apply. Refer to the group policy schedule for full details. Available at the following link:
