

STEAM Camps

Middle School Day and Residential Camps

July 6-10 and July 27-30

DAY

Energy Innovators: Green Energy Engineering

Explore solar and wind power, insulation and energy efficiency to build your own sustainable model house.

RESIDENTIAL

Robots in the Ocean: Deep Sea Exploration Adventures

Design robotic submarines, investigate mysterious ocean environments and discover real-world ocean careers.

STEAM Careers

Try hands-on activities in medical laboratory science, genetics, engineering and other exciting STEAM fields.

We have camps for all ages!

Day and residential camps
for grades 2-12.

June 22-July 30, 2026

Your **Summer** **adventure** awaits!

Northern Illinois
University
