### **WHAT DOES IT MEAN TO BE IN CHARGE OF SPIRIT WEAR?**

Our spirit wear board member is in charge of keeping our students decked out in the hottest new spirit gear, as well as brainstorming new school spirit merch options. You work directly with the PTA and district print shop to setup a back-to-school sale, as well as help keep our online store running smoothly.

\*No design experience required. An ideal candidate has good organization and communication skills and can be available to start planning in mid-July. Requires regular attendance at monthly board meetings.

### **WHAT DOES IT MEAN TO BE AN EVENT CHAIR?**

Chairing an event is a big, but rewarding task! You would be responsible for managing a team of volunteers to help bring these events to life. Ideal candidates are organized and have good leadership/delegation skills. You will work directly with the PTA and Mr. Hambleton. This can be an individual or duo. Both events require some summer planning.

**Walk-a-thon-** create and distribute sponsorship forms, t-shirt ordering, prize planning, day-of planning and coordination, and more.

**Carnival-** organizing food trucks, working closely with teachers to plan booths, working with a team to plan decor, day-of setup and volunteer coordination, and more.
