Boyertown Area School District
Kindergarten 2026-2027

We are pleased to announce our Kindergarten Launch for the 2026-27 school year. These are the first steps toward the wonderful and exciting learning experience your child will have at Boyertown Area School District!

Kindergarten Launch sessions are **voluntary** opportunities for our future students to visit the buildings and participate in some fun readiness activities. Parents/guardians will learn specific information about each elementary building and review their child's full registration status.

Each elementary school will host daytime **Kindergarten Launch** sessions for their incoming students. These sessions are open for 45 minutes each but families can leave as soon as they have visited the activity stations. Session 1 runs from 1:15 until 2:00 and Session 2 runs from 2:15 until 3:00. If you are interested in joining us for a K Launch session, please sign up to visit your home school on the designated date below.

March 11, 2026 - Colebrookdale, New Hanover Upper Frederick, Washington
May 1, 2026 - Boyertown, Earl, Gilbertsville

If you are unable to join us at your school for a daytime Kindergarten Launch session, we are offering an evening session for all schools to be held at Gilbertsville Elementary on **May 6, 2026** at either 5:00 pm or 6:00 pm. Staff from across the district will join us at this central location for the evening event.

Please sign up for one **Kindergarten Launch** session via the QR code or link below.

NOTE: Space is limited to 25 families per session at each building.

BASD Kindergarten Information

BASD currently offers a half-day Kindergarten program in all six of our elementary buildings. More details about the program and answers to some common questions can be found in the Kindergarten FAQ document sent with the mailings or posted on our website. Check the Registration tab under Parents/Community for more information.

Fall Kindergarten Orientation

Individual buildings will communicate the details of their 2026 Kindergarten Orientation plans over the summer. Families will receive the information once classroom information has been released.
