

Summer Transportation and Elementary Camp Locations

We are happy to be able to provide limited transportation services to our elementary students. Only elementary schools will have transportation if registered for the camps below.

- APS will automatically arrange for all eligible students (more than two miles from the hub) to be picked up at a designated bus stop for transportation to the hub location.
 - Students will ride back to the stop at the end of camp.
 - Pick-up is only in the morning. There will be no mid-day pick-up.
 - Students registered in the swim program will return to school at 4:30 or be routed home.
 - Specialty Schools (IPS, Miller South, NIHF STEM, Bridges) must select their home residence Hub.

Deadlines for Transportation:

- For June camps, students must be registered by May 15, 2026.
- For Jumpstart to Ki students must be registered by June 26, 2026.
