**You're Invited! Roots to America/Scholastic Book Fair –  
Friday, Apr 24**

Dear Newmark K-8 Parents,

We are excited to announce an upcoming K–8 showcase event, **Roots to America**, taking place on **Friday, April 24, 2026**. This special event will be similar to a science fair and will highlight our students' learning, creativity and research centered around American history and culture. Parents are invited to attend between 9:30-11:00 AM and between 12:30-1:50 PM.

Our K–8 students will be presenting on topics including:

- **History of Flags**
- **Notable People in History** (media, sports, leadership and more)
- **Ellis Island – Immigration Station Experience**
- **Great American Inventions**
- **National Parks**
- **American Music**
- **Famous Monuments**
- **NASA / U.S. Space Program**

Students have been working hard researching, creating displays and preparing presentations. We are so proud of their efforts and look forward to sharing their learning with you.

**Special Bonus: Book Fair!**

Simultaneously, we will be hosting a **Scholastic Book Fair**. Parents will have the opportunity to visit the book fair with their child during the event and purchase books and other items. It's a wonderful way to support literacy while enjoying the celebration!

We hope you can join us for this meaningful and engaging day. More details regarding arrival procedures and schedules will follow soon.

Thank you for your continued partnership and support — we look forward to seeing you on Friday, April 24, 2026! There is no need to RSVP, just come!
