Cleckler-Heald Elementary believes that student success is directly linked to parental involvement; therefore, our goal is to develop and strengthen the relationship between home and school providing information in a timely manner. It is the policy of the school to plan and implement, with meaningful participation of parents, administration, teachers, programs, activities, and procedures for the involvement of parents in its Title I programs, thus complying with the following expectations:

Title I, Part A

- Cleckler-Heald will conduct an annual meeting, at a convenient time, to which all parents will be invited and encouraged to attend, to inform parents of the Title I program, its requirements, and their right to be involved throughout the year.
- Offer a flexible number of meetings or home visits to facilitate parent.

Policy

- Encourage parents to participate in the planning, developing, review, and improvement of the policy in an organized , ongoing, and timely way. The school policy will be jointly developed and agreed on with parents.
- The policy is distributed annually in English & Spanish to each student, emailed out to parents, posted at two local businesses, posted on our school website, and shared at our monthly meetings on our PowerPoint presentations.

Compact

- The compact is distributed in English & Spanish to each student and posted on our school website. This document outlines how parents, staff and students will share the responsibility for improving student achievement, and will be discussed by teachers with parents during the teacher-parent conference.

Parent Opportunities

- To volunteer in the Parent Center.
- Parents will have the opportunity to participate and provide comments, feedback and suggestions and participate in the planning and review of the CIP (Campus Improvement Plan) through the SBDM committee in an organized ongoing, and timely way.
- To request for regular meetings with their child's teacher to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children. To do so, parents can call our school at (956)969-6888, email the teacher or contact them on Class Dojo and/or Remind.
