WEEK 2: MORNING CAMPS

STEM Robotics + Drones (Grades PreK-1)

9:00 am-12:00 pm

This STEM Robotics beginner camp has it all: building, creating, designing, engineering (build a robot), and basic robotics, remote control cars and drones. We aim to make a child's first experience with STEM both fun and engaging, so we bring in exciting and age-appropriate technology, help create spaces for the kids to work collaboratively and encourage them to bring their ideas to life. This is a very hands-on camp. Our belief is, the more fun they have in this early learning environment, the more likely they are to continue pursuing STEM opportunities in the future. Opportunities will abound in this space for years to come, and no STEM company has more fun - so come join us this summer in living out our motto: "Bringing the Future to People...Today."

LTHS Youth Soccer Camp (PreK- 5)

9:00am-12:00pm

3 DAY CAMP (M-W) June 8-10

No matter the level of play your child has entering this camp, we will ensure they are given proper instruction and an environment which will support their growth during the three days they are involved. Kids will have a great time developing new skills and having the opportunity to be competitive while playing small sided games. All Pre-K through 5th grade athletes will be evaluated and provided an environment which will give them ample opportunity to incorporate all technical dynamics of soccer while at the same time being provided an opportunity to continue a love for the game. The student athletes will be instructed by LTHS coaches and former players and will thus develop great relationships with the high school coaches while being able to build the soccer community and culture. We look forward to another year of developing soccer players for the future of Lake Travis.

Is your child curious about middle school dance? This is the perfect opportunity to jump in and give it a try! In this fun and welcoming camp, students will explore several exciting dance styles that are just right for a 6th-grade beginner dance class in a middle school setting.

Dancers will be introduced to the fundamentals of jazz, ballet, and tap through engaging activities, games, and movement—all while making new friends and building confidence. This camp is held at HBMS and is open to all LTISD students entering 5th or 6th grade next year. It's sure to be an energetic and memorable experience for Everyone!

What to Wear: *Students should wear clothing they can comfortably move in. There's no need to purchase dance attire—though you're welcome to wear it if you already have it! A fitted t-shirt and leggings work perfectly. Tap shoes will be provided on tap day, and dancers may wear jazz shoes or go barefoot for jazz and ballet.*

This camp is designed to promote and align student athletes within the Lake Travis soccer community with the purpose of building a continual experience that will help prepare them for developing their involvement in the high school program. The camp will be a great opportunity to get to know the program and the coaches at Lake Travis. Athletes will be introduced to the philosophy of play at LT and will learn many activities that are emphasized here. This will also be a great chance to compete in small-sided games that are sure to increase the athletes' soccer IQ and technical components of the game. Time will be spent in small group instruction which will allow all athletes time to focus on becoming better in all capacities of the game. We strive to build on all previous instruction and promote the technical and tactical components of the game emphasized here at Lake Travis. Come find out why Lake Travis High School continuously develops high level athletes and teams that compete with the best of the state.
