Yes, we recommend that you continue the procurement process that is scheduled for action at Monday's SC meeting. In doing so, I understand the Committee would be following the normal customary process as explained by Don.

Hi Eric and Ann Marie,

As we discussed, I have on our April 13, 2026 agenda a potential vote to award a lease agreement to an extended school year provider. This follows the timeline Don provided the Committee with for us to follow this fall. With the noise from the

community and allegations we have seen, do you think it still makes sense to follow the procurement process?

Karyn
