

ADDENDUM # 001

Project: Lodi Unified School District
Lodi High School
AG Area Site Improvements
19six #: 24392
DSA #: 02-123841
Bid #: 6387-6388-560-44

Date: April 16, 2026

To all bidders submitting proposals for the above captioned project. This Addendum is hereby included in the Contract Documents to the same extent as though it were originally included therein. The following items modify, add to, delete from, or explain the drawings and/or specifications. The contents of this Addendum shall take precedence over the original specifications and plans.

Item #1:**Pre Bid RFIs:**

1. The notice to bidders, summary of work and project advertisement state "Pre-Manufactured Steel Building by others (approx.. 2,800 SF)". Right above that it says the GC is responsible for everything associated with the pre-manufactured steel building. Please confirm that the GC will furnish and install the steel building.

Response: GC is responsible for the purchase, transportation, and installation of the building.

2. The notice to bidders says the GC will be responsible for the structural steel building engineering, calculations, permitting, structural review and inspections. It looks like all the engineering and permitting has been completed. Can you please confirm that this is not required?

Response: Pre Manufactured building is to have all these components satisfied, per its Approved PC drawings.

3. The bid form has a line item for bid alternate #006 which includes the septic tank, associated drain, and work. The septic tank and underground are shown as bid alt #007 on C3.1. Can you please clarify these alternates?

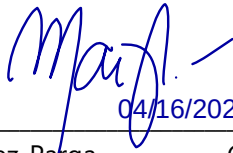

Response: Bid Alt 6 calls out the Septic tank and associated plumbing. Bid Alt 7 is referring to the water coming to the building and hose bibs associated with the water on the site. re Manufactured building is to have all these components satisfied, per its Approved PC drawings.

4. Will DVBE be required on this project?

Response: All LUSD projects require DVBE good faith effort.

ATTACHMENTS:

NONE.
