(Students Entering First Grade as of August, 2026)

To the Parent or Guardian of: _____

We are pleased to announce that Akron Public Schools will once again provide summer reading intervention to those students reading below grade level expectations. This early notification will allow you to effectively plan your child's summer activities.

Your Kindergarten student is presently reading below grade level expectations. Consequently, it is recommended that he/she attend Akron Public Schools' Level Up Academy - Elementary Summer School to improve reading and math skills. Students are expected to be present for the entire 9 days; however, **attendance for at least 7 of the 9 days is necessary for a student to meet the Level up Academy - Elementary Summer School requirements.**

The Level Up Academy - Elementary Summer School will be held **June 8, 2026 - June 18, 2026, Monday-Friday from 8:15 a.m. until 1:30 p.m.** Breakfast and lunch will be available at all locations free of charge.

Students will attend at their home school location only unless that school is being housed in another location as indicated in the chart below. Transportation will be provided to the alternate sites as indicated below. Once enrolled, information regarding the designated bus stop will be forwarded to you.

Open Enrolled Students: The school you are open enrolled to becomes your home school. GUARDIANS MUST PROVIDE THEIR OWN TRANSPORTATION TO AND FROM THE LEVEL UP ACADEMY PROGRAM SITE.
