Hello Students,

This is Mrs. Cunningham, your AP coordinator. I am reaching out with a few reminders for the AP Examination sessions. Please note the information below regarding this year's exams.

Students will be provided with breakfast and lunch during each test day, as they normally would. The exam schedule and room locations are posted on the website under Students-Exams and Assessments-AP Exam or by clicking the link **AP Tests 2026**. Below you will find important information regarding test days.

Morning Exams

Students should go directly to their testing location, where attendance will be taken. **Students are expected to report by 7:10 AM to their assigned testing location as they would to their 1st period class.**

Afternoon Exams

Students who are taking an afternoon exam should report to their period 1 through 6 classes, as they normally would. **Students should report to their assigned test location no later than 11:20 AM.**

Please note that if a student does not attend their classes, either before or after their exam, it will not be considered an excused absence.

Chromebooks

All students are required to bring their fully charged school-issued Chromebook and their charger **for all exams**. If you have any issues with your Chromebook, please reach out to me at shardae.cunningham@longwoodcsd.org with the relevant information and/or specific issue. The high school does not have extra Chromebooks available for use on that day.

Bluebook Application

All digital and hybrid exams, except for World Language and Music Theory exams, should appear in the Bluebook Application. If an exam does not appear, it most likely means that a student did not register for that exam via AP Classroom. If an exam does not appear in the Bluebook application, please contact Mrs. Cunningham at Shardae.cunningham@longwoodcsd.org

Exam Materials

Any materials needed for the exam should be in a clear Ziploc bag. **Please note that students must bring #2 pencils (no mechanical pencils) and a ballpoint pen (no gel pens).**

Cell Phones/Electronics, including (Meta Glasses)

Students are **not** permitted to have their phones, smartwatches, headphones, or any other electronic devices **not** pre-approved by the College Board with them during the test administration. Smart glasses and other wearable technologies are **prohibited** from the exam room. As a reminder, students who are found to have unapproved electronic devices during the administration of an AP exam are subject to their exam being invalidated, as well as other consequences. If you need to reach your student, please call the Main Office at (631)345-9200.

Transportation

For students taking an afternoon exam, their administration usually ends around 3:45 PM, while those with approved testing accommodations can end as late as 5:30 PM. Students can be picked up at the Visitor's Entrance at the end of the exam. Alternatively, students are permitted to take the 5:30 PM buses home. **Please note that if a student completes their exam after the 5:30 PM buses have departed, they will need to be picked up, as we do not have additional transportation available after that time.**

I have complete confidence in our students and am confident that they will do well on their exams. Students, we believe in you!

Sincerely,

Mrs. Cunningham
Assistant Principal
