I.S. Families,

Each year the Intermediate School works with staff and families to create a School Level Plan. The School Level Plan consists of goals the Intermediate School will work on during the upcoming school year to help close learning gaps and increase student achievement.

The Intermediate School's School Level Plan meeting will take place on Wednesday, May 27, 2026, from 4:00 – 5:00 at the Intermediate School in the LGI. I would like to have at least 3 parents attend this meeting to be part of the discussion. If you are interested in being part of the meeting team/discussion, please email me at [pheggenstaller@mifflinburg.org](mailto:pheggenstaller@mifflinburg.org). Parents of incoming 3 grade students can also attend this meeting.

During the meeting, we will review some data points, talk about the strengths and areas of growth for the I.S as well as review this year's School Level Plan and our progress on the plan. We will then work on creating 3-4 goals for the Intermediate School for the 26/27 school year.

Thank you in advance for considering to be part of this important team.

Your Partner in Education,

Philip Heggenstaller
