STA

Summit Technology Academy

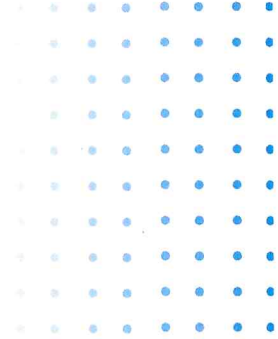

Summit Technology Academy (STA) is a shared campus of junior and senior students who come together for a half-day program as an extension of their home high school. STA is a career-focused academy designed to prepare students for tomorrow's professional workforce.

•7 Current students attending

- Students from Holden are enrolled in the following programs: Cyber Security / Cyber Operations (1), Business, Finance and Data Analysis (1), Java Software (1), Professional Nursing (1), Medical / Biomedical Interventions (1), Internship (1 current, 1 semester Grad)
- Enrollment for next year is starting now
- Students must provide own transportation
- Students pay a portion of the tuition
- Programs offered: <https://sta.lsr7.org/courses/>

WACC

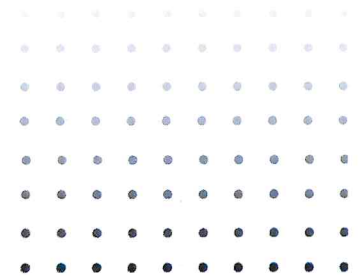

Warrensburg Area Career Center

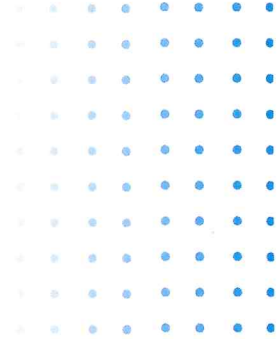

WACC provides classes to a total of 7 area sending schools
14 HHS students currently attend
Available to 11th-12th grade students

Programs offered include:

AG Education, Auto Collision (1),
Auto Service (4), Computer Tech
(3), Construction Tech (2), FACS,
and Health Sciences (4).

•HHS Students receive elective credit as well as embedded ELA/Math credit.

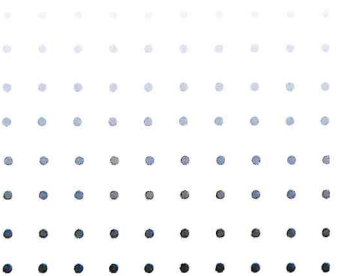

Areas of Growth 2025-2026

Added Industry Recognized
Credentials in CTE courses

Allow students to earn practical
certifications that can be
applied to current jobs and
future employments

Adds in districts MSIP scoring
capabilities

Continue to create
opportunities for students to
learn off campus at UCM, or
through other programs

Thank you!
