Hello Heritage Families,

As we embark on a new year, it's a good time for us all to review some of our school's procedures and practices. Our students' safety is of the utmost importance so I appreciate everyone making note of a few things especially as it pertains to our parking lot.

Drop off/Pick up

- All children must be accompanied by an adult if they are walking through the parking lot
- The crosswalk must be used by children and adults when walking to/from the building
- The Swan Road curve is designated as a quick drop off location - no parking or getting out of vehicles

Click [here](#) for a detailed explanation of how our drop off and pick up procedures work.

IMPORTANT - If another family member is going to be picking up your child, like a grandparent, aunt or uncle, please be sure to explain these procedures to them. It's most often the individuals who are not familiar with our school who are not following our procedures which may put children in a dangerous situation.

Late Bus Notifications

Parents will receive a notification from school if a bus is going to be more than 15 minutes late.

Cold Weather Procedures

If the windchill is at or below -10 degrees, students will be indoors for drop off and recess. Our supervision begins at 7:35 so students would not be permitted in the building until that time. We will place a yellow flag in the front of the school so that families know if it's indoors or outdoors. It's also suggested that students bring all of their snow gear to school on the days that it is below -10 as the temperature can warm up which would result in outdoor recess for all students.

Thank you for working together to make sure our school is a safe environment for all!
