**An Evening with
Medium Catherine McCall**

Join Psychic Medium Catherine McCall for an uplifting and inspiring group reading experience. In this gallery-style event, Catherine will connect with loved ones in Spirit, delivering messages filled with compassion, healing, and validation from the other side.

Drawing on over 17 years of experience as an intuitive healer and spiritual teacher, she creates a warm, supportive space where attendees may receive personal connections and find comfort in the messages shared. Each message is delivered with heartfelt love and serves as a reminder that our loved ones are always near.

Hello Spring

Reminders from the Nurses Office

Please take your allergy medication at home before coming to school.

We **DO NOT** supply allergy medicine in the nurses office.

Seasonal allergies can trigger asthma. If you self carry an inhaler, please be sure you have it with you.

While allergy symptoms are uncomfortable, it is not an excuse to not participate in gym. Studies show that moderate physical activity actually reduces congestion by increasing blood flow.

OPEN CAMPUS is a SENIOR ONLY PRIVILEGE.

JUNIORS (and other underclassmen) you DO NOT have this privilege.

SENIORS: If you leave campus with a Junior (or any underclassmen) at lunch, you are jeopardizing your SENIOR OPEN CAMPUS PRIVILEGE. This is a privilege and can be suspended or revoked for a specific length of time at any time during the year.

 **Underclassmen [Grades, 9, 10 & 11]:**
You do **NOT** have OPEN CAMPUS for lunch.
