

# SchoolLinks Senior Year End Activity Overview [student guide]

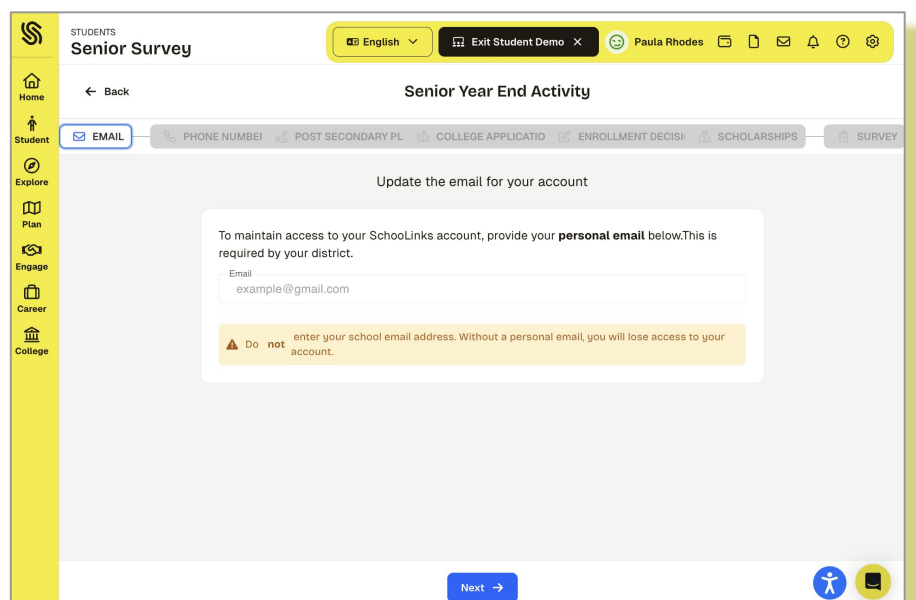

This three-page guide will walk students through how to access and complete the Senior Year End Activity.

- 1 Access the Senior Year End Activity from the **To Do** tab of your dashboard.

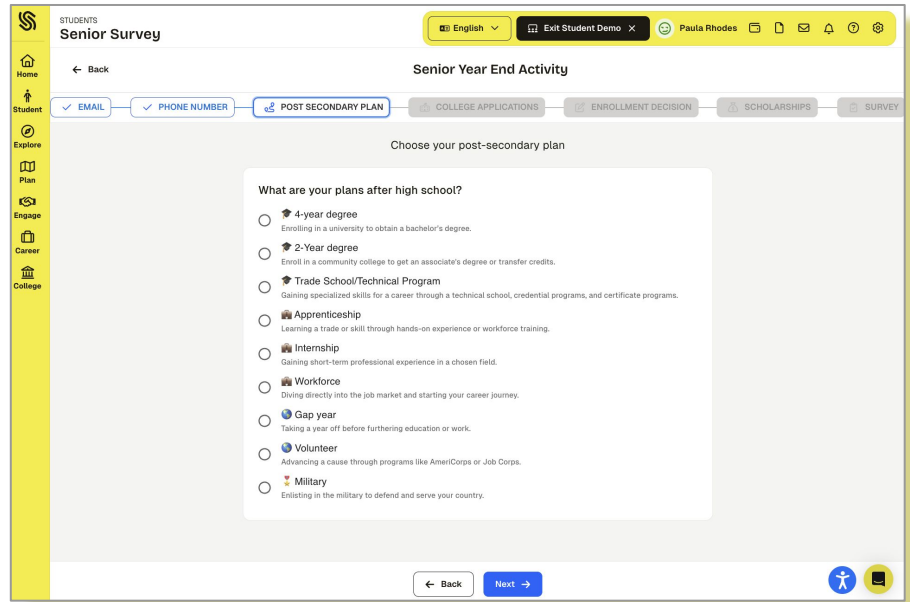

The Senior Year End Activity allows graduating students to self-report any remaining future-related information. Sections of the activity include:

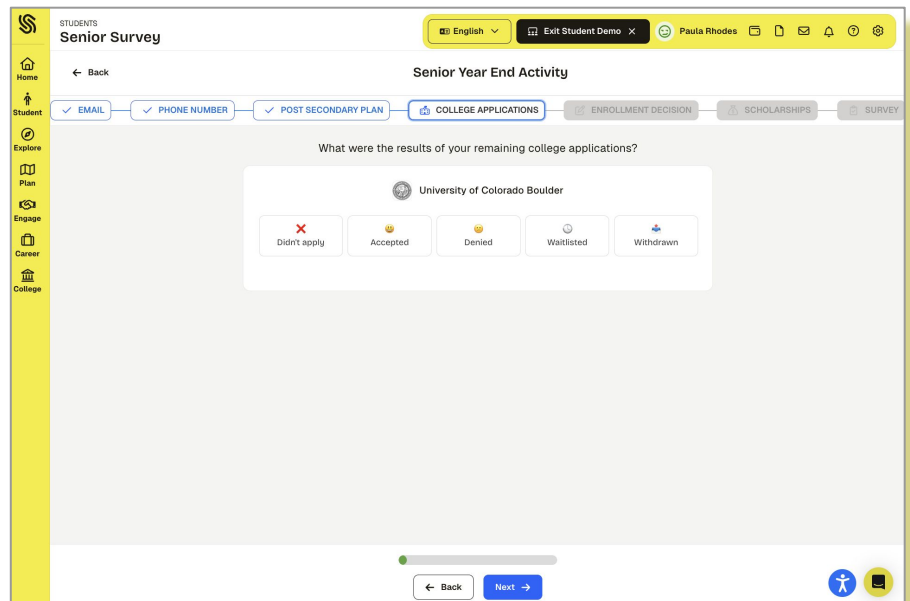

1. **Contact Info**  
Update your account contact information. You will be prompted to update your email and phone number.

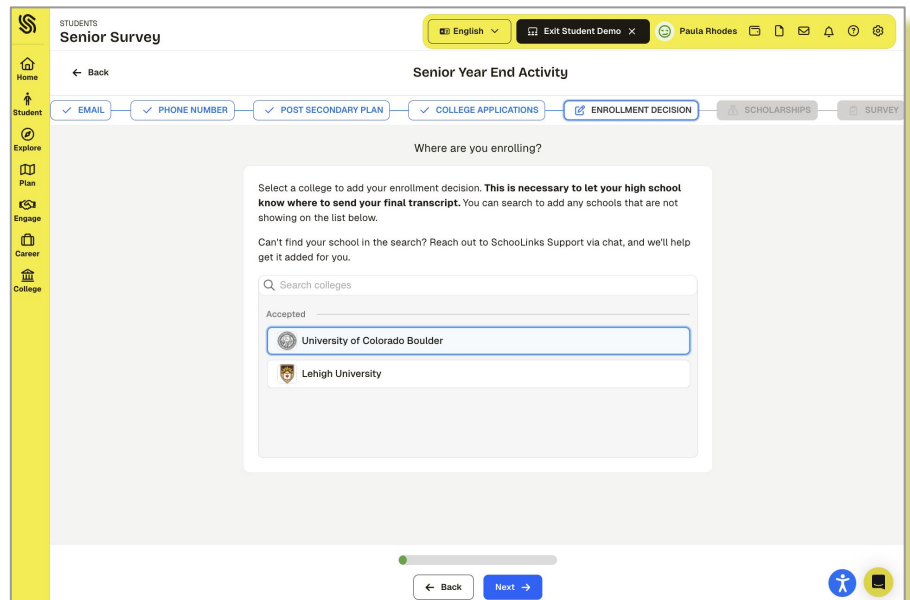

2. **Post Secondary Plan Goal**  
Choose your post-secondary plan

3. **College Applications**  
Add the results of any remaining college applications

4. **Enrollment Decision** Select a college to indicate your enrollment decision. Add multiple enrollments if necessary.

*\*Note: This is necessary to let your counselor know where to send your final transcript.*

- Scholarships (optional)** Add scholarships you have been awarded by a third-party organization such as a company or foundation.

*Only scholarships that can be used at any college should be added here. Scholarships or grants that apply to a single college should be added as award letters for that college. College award letters can be added once you mark the application for that college as "Accepted" or from the College Financing tool in the Finances Module*

The screenshot shows the 'Senior Survey' interface for 'Scholarships'. The breadcrumb trail includes: EMAIL, PHONE NUMBER, POST SECONDARY PLAN, COLLEGE APPLICATIONS, ENROLLMENT DECISION, and SCHOLARSHIPS. The main heading is 'Senior Year End Activity'. Below the heading is a question: 'Are there any other scholarships you were awarded? (Optional)'. A sub-heading reads: 'Third-party scholarships come from organizations such as companies, nonprofits, or foundations, rather than from a specific college or the government.' The form contains two sections: 'Scholarship details' with fields for 'Scholarship name', 'Scholarship provider', and 'Category' (a dropdown menu); and 'Scholarship status' with four radio button options: 'Awaiting result' (Applied and pending result), 'Not awarded' (Not offered scholarship award), 'Offered' (Award offered but not accepted or declined), and 'Accepted' (Award offered and accepted). At the bottom of the form are 'Cancel' and 'Save scholarship' buttons. Navigation buttons 'Back' and 'Next' are at the bottom of the page.

- Custom Senior Exit Survey**  
Your district admin can create a custom senior exit survey that is embedded to the end of the SchooLinks Senior Year End Activity. Answer these additional questions if one has been created at your district.

The screenshot shows the 'Senior Survey' interface for a 'Custom Senior Exit Survey'. The breadcrumb trail includes: EMAIL, PHONE NUMBER, POST SECONDARY PLAN, COLLEGE APPLICATIONS, ENROLLMENT DECISION, and SCHOLARSHIPS. The main heading is 'Senior Year End Activity'. Below the heading is a question: 'Answer the following questions from your district:'. A progress bar is shown below the question. The first question is 'Q1 Who is your counselor?' with two radio button options: 'Dan Gin' and 'Allegra G.'. Navigation buttons 'Previous' and 'Next' are at the bottom of the page.
