Chartwell Charlie has returned!!

Chartwell Charlie

During the weeks leading up to Spring Break the food service staff decorated the lunch line areas. We started noticing Charlie would find his way around the cafeteria. He always returned, but I did find him in the Instructional Media Center one day. The students seemed to enjoy him, and today he found his way back to his original spot.

The New Ala Carte Station

We are very excited to announce our new Ala Carte Station to our Smiley Campus. Over the last three years we have seen an increase in our lunches. August to May 23/24 we served 143,260 lunches. From August to May 24/25, we served 146,131. With our projections this year at nearly 170,000 lunches served we had to grow in the space allotted. Our hope is to increase speed of service with opening another register, which will shorten the time students are in line to get their food. We will share more updates as we go.

Student Choice Winner!!

On March 21st Chef Jay Katz visited the Milburn Campus to host a Student Choice Event. With his help we created two sandwiches and handed out over 300 sandwich samples. I'm happy to announce the Grilled 3 Cheese Sandwich I made won, but only by 4 votes. Since the voting was so close we will feature both sandwiches on separate days at both schools. Thanks to all the students at Milburn that got involved and voted for their favorite sandwiches. Your vote counted and now we get to eat great sandwiches!
