Students gain the confidence, skills, and independence needed for a successful transition to kindergarten.

PROGRAM DETAILS

- Child must be age 5 on or before September 1
- Monday-Friday | 9 AM-3:30 PM
- Wraparound care available
- Sliding fee scale for ISD 191 families

952-707-4103 | communityed191.org

Does your child have a summer birthday? Would your child benefit from an additional year of school experience prior to entering Kindergarten? If you answered “yes” to either of these questions, KinderSpark is the program for you!

KinderSpark is a preschool program designed for young 5 year olds with targeted instructional support for students who are not yet ready for the demands of kindergarten. KinderSpark is grounded in developmentally appropriate practice and uses both the Early Childhood Indicators of Progress (ECIPs) and Kindergarten grade level guarantees to build a curriculum that will help your child develop the necessary skills for a successful kindergarten experience.

KinderSpark is a 10-month, full-day (9 AM -3:30 PM), fee-based program. There is a sliding fee scale based on family income and family size. Wraparound care, before and after school, is available for an additional fee.
