Celebrate! FIRST LEGO League team, Chip & Bots, from Minnetonka Community Ed earned a spot at the Florida Sunshine Invitational (FSI). This group of five students, representing four different schools, named their team after their mascot, Guacamole!

For this year's Submerged challenge, they tackled plastic pollution by creating Microlecter, a device to collect plastic-eating bacteria. Expert input from the University of Minnesota and NIOZ helped shape their design. After reaching the Minnesota state tournament, they were thrilled to earn an invite to the Florida Sunshine Invitational in June. Now, they're excited to showcase their robot, meet teams from around the world and enjoy the fun and friendships of FLL.

DESTINATION IMAGINATION

Destination Imagination | Grades 3-8

Join a team of your peers to tackle one of five crazy challenges! You will have the chance to express your creativity, problem-solving skills and engage in teamwork before presenting your solutions at a regional tournament!

Team Details
- Teams consist of 5–7 students
- Teams typically meet once per week (schedule set by each Team Manager)
- Teams choose one DI Challenge to focus on

Team Managers Needed!
Every team needs an adult Team Manager—no experience required, just a great attitude and a love of creativity! Training and support provided.

Season Timeline:
- Teams formed: Late October/Early November
- Weekly meetings: November–March (schedule set by each team)
- Regional tournament: Late winter
- State/Global Finals: May (for qualifying teams)

Kudos! Minnetonka Destination Imagination (DI) Team Advanced to Global Finals

After selecting the Engineering Challenge High Wire Act, Minnetonka's DI team, MMW Spectacular Circus, set out to build a mechanical transporter that could carry weights across a rope while also bringing a contemporary circus-themed presentation to life. Their innovation and teamwork earned them a spot at the prestigious Global Finals in Kansas City, where they joined over 7,000 participants from 13+ countries.

Highlights from the experience included the Olympic-style Opening Ceremony, complete with a parade of nations, light-up wands, music, dancing and even giant puppets. Team members also loved pin trading with students from around the world. Congratulations to team MMW Spectacular Circus on your achievement of making it to Globals! Learn more about Destination Imagination on page 11.

Get Ready for Kindergarten!

Get signed up for Early Childhood Screening

Make sure you've completed Early Childhood Screening—a simple, free check of your child's development that's required before kindergarten.

Screening is best completed at age 3, but it's never too late to schedule your appointment. The 60-minute process includes a review of your child's:

- Height & Weight
- Vision & Hearing
- Immunization Records
- Motor & Cognitive Development

At the end of the session, a licensed early childhood teacher will review results with you and share helpful next steps if needed.
This is not a test—it's a tool to ensure your child is ready to thrive in kindergarten!

Register today at bit.ly/ecscreening or scan the QR code!

Join us for Preparing for the Transition to Kindergarten

Driver Education

Safeway DRIVING SCHOOL

Classroom Instruction

Our program includes 30 hours of instruction, as required by law, in 10, three-hour lessons. Students can start classes at age 14½, obtain their permit at age 15 and license at age 16. The curriculum includes study guides, PowerPoint instruction, videos, discussion, worksheets and interactive software. Classes focus on critical behaviors and attitudes common to teen drivers and prepare them for the Minnesota Permit Exam. Visit **SafewayDrivingSchool.com** for information regarding make-up lessons.

Behind-the-Wheel Instruction

Students must complete six hours of driving lessons with a Safeway instructor before taking the Minnesota Road Exam. Lessons are divided into three, two-hour private lessons with a responsible, professional Safeway driving instructor. Students can be picked up from and dropped off at home, school or work. Safeway offers convenient, online scheduling for behind-the-wheel instruction. The lessons are given on actual city streets, highways and freeways. It is recommended that students take their first lesson 6-8 weeks after receiving their permit. Lessons should be at least 30 days apart allowing for practice with parents/guardians between lessons and can be scheduled with Safeway Driving School.

Fee

$469 (Includes classroom instruction and six hours of behind-the-wheel instruction.)

Early Childhood Family Education

ECFE is based on the idea that parents provide their child's first and most significant learning environment.

ECFE works to support you as a parent/caregiver and to strengthen and empower families. The goal is to enhance the ability of all parents and other family members to provide the best possible environments for their child's learning and development.

MN Department of Education. Early Childhood Family Education.https://education.mn.gov/MDE/fam/elsprog/ECFE

See what an ECFE class looks like!

Scan to view the 2025-26 ECFE booklet

ECFE is for parents, caregivers and children (birth through Pre-K)

Weekly classes include parent-child interactive activities along with educator led discussions. Follow your child's lead during parent-child time (first half of the class). Parent discussion time (second half of the class) is led by a licensed parent educator. This is an opportunity for parents to process joys and concerns, problem solve and share insights and resources. Topics may include sibling relationships, toilet learning, child development, self-regulation, temperament, sleep and more.

New to ECFE? Start Here:

Explore our **Ages & Stages** classes. A great way to connect with your child and other families while learning about early development.

- On the Move (Ages 6-12 mos.)
- Just Toddling (12-18 mos.)
- Curious Climbers (18-24 mos.)
- Big Little Kids (24-36 mos.)

Ready to go deeper?

Our **Empowered Parenting** series supports parents of children ages 18–36 months with real-life strategies and meaningful conversation as you explore specific parenting topics including:

- Emotions
- Discipline and Limits
- Parental Stressors

Looking for something just for you?

Join our Parent-Only Workshops with **Elevate Your Parenting** to grow, reflect and connect. For parents with children ages 3-4. *Includes enrollment in Lunch Bunch.*

A Fresh Look!

Student Collaboration Brings New Life to MCE Catalog

You may have noticed that our Fall MCE catalog has a fresh new look and that's thanks in part to the creativity and dedication of Minnetonka High School student Anusha Sadhale.

Anusha partnered with MCE Marketing Specialist, Louise Weir, through Minnetonka's VANTAGE program, which connects students with real-world professional experiences. Over the course of five meetings across four months, Anusha and Louise collaborated to refresh the catalog's design and layout. Together, they identified areas for improvement and worked through multiple drafts to develop the final product you're holding today.

Thank you, Anusha, for your time, talent and eye for design!

Instructor Tip

Hear from Andy Gregory, Attorney, Andy Gregory Law:

Why would someone benefit from taking a Health Care Directive & Power of Attorney class?

Because your loved ones shouldn't have to guess what you would want in a crisis—or wrestle with red tape while doing it. This class gives you the tools (and the nudge) to get it done, minus the stress and confusion.

What are one or two valuable takeaways for participants?

Walk away with two powerful documents—a Health Care Directive and Power of Attorney—actually completed, not just talked about. Plus, you'll leave with peace of mind knowing your voice will be heard, even if you can't speak for yourself.

MCE Garden Revitalized Thanks to Minnetonka Foundation Grant

This spring, the MCE Garden got a much-needed upgrade thanks to a $1,500 Minnetonka Foundation Teacher Grant sponsored by Tonkadale Greenhouse. The orange snow fence was replaced with a metal fence and gate, rustproof galvanized garden beds were added and trellises were installed.

Special thanks to Junior Explorers Supervisor, Sarah Davis, for helping make it all happen. The refreshed space is already blooming with new opportunities for learning and growth!

Meet Jay Dudding

With over 40 years of dance experience and 31 years of teaching, Jay Dudding brings energy, encouragement and expertise to every class. For more than 20 years, he's shared his passion for Ballroom, Latin and Swing dance through Minnetonka Community Education.

His favorite style? The Waltz! Jay's classes are beginner-friendly with options to advance and he structures lessons so skills build across styles.

Outside the classroom, Jay has danced his way around the world as dance teacher on a cruise line—proof that dance can lead to amazing places. Jay will be taking this Winter/Spring session off while he's teaching dance aboard a 155-day world cruise. Catch him this fall or when he returns!

Step into class with Jay and discover the joy of dance!

Meet Project SOAR participant, Michelle

Michelle has been taking Project SOAR classes since 2017. One of her favorite activities is singing in the SOAR Songbirds Choir. The group practices monthly and performs for family and friends at the end of each season.

"I enjoy being part of the Songbirds because I enjoy singing. The songs we perform are awesome as well!"

Catch the Songbirds this summer at their SOAR Summer Spectacular on August 20 and singing the National Anthem at the St. Paul Saints game on August 24. Go, Songbirds!

Minnetonka Community Ed is honored to be recognized as one of the 2025 Top Ten Community Education programs in public schools in North America by LERN .
(Learning Resources Network).

Meet Learn-to-Swim instructor, Savana

Savana has been teaching swim lessons for three years. She says that one of the most rewarding parts of her job is watching swimmers gain confidence and enjoy swimming!

"Knowing that I've contributed to making swimmers safer around water is meaningful."

She loves teaching at Minnetonka because of the supportive environment, personalized instruction and the program's focus on both safety and success. Come and join Savana for swim lessons this fall!

Learn-To-Dive

Beginner Diving | Ages 7+

For divers that are brand new to the sport with little or no experience. We will work on fundamentals and jumping off the boards forward, with and without an approach and backwards. We will also work to learn front head first entry skills and backwards entry skills as we see fit. These classes are 2 times a week and 45 minutes long.

Intermediate Diving

This group is for divers who know how to perform a full approach hurdle, front dive, front flip, back fall in and back dive. These classes are 2 times a week and 60 minutes long.

High School/Advanced Diving

This class is for divers that have competed at a High School level OR have 4 of the 5 categories in diving. Advanced skills are required to be in this group. These classes are anywhere from 2-4 times a week for 90 minutes.

What's Next in the Pool?

Rec Swim Team

Designed for swimmers interested in competitive swimming. Sample a competitive swimming environment by competing at swim meets, participating in team-style practices and learning competition skills before joining a club swim team.
A mini meet will be held on Wednesday, October 22, 6-8 PM.
