IN THIS *Issue*

At Minnetonka Community Education, we believe learning and *connection* go hand in hand. Our programs bring people together, whether it's through discovering a new hobby, building skills or sharing experiences. Guided by the Minnetonka School District's commitment to student-centered excellence, we are proud to offer opportunities that inspire growth, creativity and community. Throughout this catalog, you'll find stories of how participants, staff and instructors have discovered meaningful connections through Minnetonka Community Ed.

Winter/Spring registration opens **November 18 at 8 AM**, with over 340 adult classes and more than 600 youth offerings to explore.

“At Explorers, I always try to be involved with the kids during sports activities! That was going well until I took a tumble one day while playing kickball. (It’s ok you can laugh!) I was ok and all my kids ran over to help me up. They are truly amazing!

Kayla Farmer
Explorers Assistant Site Supervisor

“I especially like to talk with participants as they arrive to class to find out how their day or week has gone—being a listening ear helps build *connection*.

Sonia Siefering
Project SOAR Instructor

“Sports offer a powerful way to form in-person *connections*. Rec sports uniquely allow parents to be involved in coaching (e.g. basketball) or participating alongside their kids (e.g. Ski & Snowboard Club) to build bonds in an environment that can be uniquely challenging and joyful at the same time.

Andy Coutts
Youth Recreation Program Manager

“I’m grateful to be a part of the ECFE team - I love supporting families as they learn, grow and build lasting community.

Looking for the perfect class? Use Eleyo's filtering tools to narrow down your options:

- Go to minnetonka.ce.eleyo.com.
- Click "Explore All Programs" (next to the compass icon).
- On mobile, tap "Filter"; on a computer, click "View All Programs."
- Use filters at the top to sort by age, time, location, category and more.
- For easier browsing, switch to "List View" to see more details.

Driver Education

Safeway DRIVING SCHOOL

Classroom Instruction

Our program includes 30 hours of instruction, as required by law, in 10, three-hour lessons. Students can start classes at age 14½, obtain their permit at age 15 and license at age 16. The curriculum includes study guides, PowerPoint instruction, videos, discussion, worksheets and interactive software. Classes focus on critical behaviors and attitudes common to teen drivers and prepare them for the Minnesota Permit Exam. Visit SafewayDrivingSchool.com for information regarding make-up lessons.

Behind-the-Wheel Instruction

Students must complete six hours of driving lessons with a Safeway instructor before taking the Minnesota Road Exam. Lessons are divided into three, two-hour private lessons with a responsible, professional Safeway driving instructor. Students can be picked up from and dropped off at home, school or work. Safeway offers convenient, online scheduling for behind-the-wheel instruction. The lessons are given on actual city streets, highways and freeways. It is recommended that students take their first lesson 6-8 weeks after receiving their permit. Lessons should be at least 30 days apart allowing for practice with parents/guardians between lessons and can be scheduled with Safeway Driving School.

Fee

$469 (Includes classroom instruction and six hours of behind-the-wheel instruction.)

Age 3? Time to Screen!

***Get signed up for* Early Childhood Screening**

Early Childhood Screening is a quick, free developmental check required before kindergarten. Schedule your child's screening today.

Screening is best completed at age 3, but it's never too late to schedule your appointment. The 60-minute process includes a review of your child's:

- Height & Weight
- Vision & Hearing
- Immunization Records
- Motor & Cognitive Development

At the end of the session, a licensed early childhood teacher will review results with you and share helpful next steps if needed. This is not a test, it's a tool to ensure your child is ready to thrive in kindergarten.

Register today at bit.ly/ecscreening or scan the QR code:

Summer 2026 K–5 Explorers registration opens the week of **February 9, 2026.**

School Year 2026–27 K–5 Explorers registration opens the week of **March 9, 2026.**

Early Childhood Family Education

Join us! We're here to help you and your kids grow!
ECFE is based on the idea that parents provide their child's first and most significant learning environment. ECFE works to support you as a parent/caregiver and to strengthen and empower families. The goal is to enhance the ability of all parents and other family members to provide the best possible environments for their child's learning and development.

Class Schedule
Classes meet once a week at the Minnetonka Community Education Center and include parent-child play focused on developmental learning and educator-led discussions. During a typical class, parents spend time with their children, then move to a nearby room for a discussion led by a licensed parent educator.

Experienced, Licensed Teachers
ECFE classes are taught by teachers who are licensed by the state of Minnesota in early childhood and/or parent education.

Sliding Fee Scale
ECFE class tuition is based on a sliding fee scale.

Help shape the future of Minnetonka Early Childhood Family Education

Complete our Early Childhood Family Education (ECFE) Needs Assessment Survey using the QR code. Your feedback helps us understand the needs of families with young children and plan programming for the 2026–27 school year.

MINNETONKA Preschool

Minnetonka Preschool is a part of the Minnetonka School District and shares the commitment to world class, child-centered excellence. We focus on preparing children for elementary school by using research-based curriculum and assessment for children starting at 31 months.

Wonder, Discover, Create and Dream

Discover a place where children are inspired to wonder, create, learn and dream. At Minnetonka Preschool, a love of learning is ignited by providing children with opportunities to learn about the world around them through hands-on exploration. Research-based curriculum focuses on social/emotional and cognitive development, as well as literacy, language, math and motor skills. Minnetonka Preschool is part of Minnetonka Public Schools and is committed to world-class, child-centered excellence.

Teachers make the difference

Most important to families is the relationship between their child and classroom staff. Your Minnetonka Preschool staff love children and are highly trained in child development, CPR and First Aid and providing individualized learning. Teachers hold Minnesota teaching licenses in either birth-Grade 3 or Prekindergarten instruction. The student-to-staff ratio in preschool classes is 10:1.

Join us for the 2026-27 School Year

Meet the teachers, tour classrooms, ask questions and attend an information session at the Minnetonka Preschool & ECFE Open House on Saturday, January 31.
Not able to attend the Open House? Schedule a tour with us at **tinyurl.com/MtkaPreKTour**.

"*Connection* is at the heart of everything we do. When children feel connected, they're more confident to explore, learn and grow.

Learn-To-Dive

Beginner Diving | Ages 7+

For divers that are brand new to the sport with little or no experience. We will work on the basic fundamentals needed for the intermediate group. Skills included but not limited to, jumping off the board forwards and backwards in each position, tuck, pike and straight, head first entry skills and backwards entry skills. Coaches will progress each diver to the next skill as they see fit. Coaches will recommend beginner divers to move to the intermediate group as skills become developed.

Intermediate Diving

For those who have had previous experience with diving and have mastered basic skills that are learned in the beginner group. This class is for divers who have had prior diving experience and know how to perform a full approach hurdle, front dive, front flip, back fall in and back dive. If you are curious if your diver should be in the intermediate group, please contact Coach Stephenie before registering.

High School/Advanced Diving

For divers that have competed at a High School level OR have 4 of the 5 categories in diving, front, back, inward, reverse or twisters. Advanced skills are required to be in this group. If your child has strong gymnastics experience, is HS age, or if you have any further questions regarding qualifications, please contact coach Stephenie for further guidance.

Questions about diving? Contact Coach Stephenie at stephenie.vennes@minnetonkaschools.org.

Sustainability

Why Sustainability classes?
Kate Van Horne shares what inspired her to bring sustainability learning opportunities to our community.

To me, the word sustainability means using resources in such a way as to restore and improve the world around us for future generations. Many people feel overwhelmed about trying to make a difference in their community with regards to addressing biodiversity loss, pollution and making healthy food like fruits and vegetables accessible to everyone. I was inspired to propose sustainability classes for MCEC while taking a climate action course through the University of Minnesota. To paraphrase the late Jane Goodall: Hope requires action and engagement. These classes provide a way to learn how to make a difference in your own backyard, and maybe inspire a friend or neighbor to do the same. My hope is to grow a community of like minded individuals to make a real impact in our local community, and beyond.

CELEBRATE EARTH DAY with Minnetonka Community Ed.

This April, Minnetonka Community Ed will come together to celebrate Earth Day (Tuesday, April 22, 2026), an opportunity to reconnect with nature, spark creativity and strengthen our sense of community. From blooming floral art to preschool projects and local sustainability efforts, there are many ways to take part in honoring the planet.

Be part of our floral installation

Discover the art of large-scale floral design in this hands-on, two-day workshop. At MCEC in Bloom - Floral Installation, learn professional techniques and creative principles for building floral installations using fresh florals, foliage and up-cycled art created by Minnetonka Preschool students. *Learn more on page 46.*

All community members are invited to our Open House on Saturday, April 25, to see the final display and view Minnetonka Preschoolers' Earth-inspired artwork!

Support the NextRex Plastic Bag Drive

Help turn plastic waste into something wonderful! Donate your clean plastic bags to the NexTrex Plastic Bag Drive at the Minnetonka Community Ed Center. All collected bags will be combined with Groveland Elementary's collection as they work toward earning a recycled bench made entirely from plastic bags. Your contribution supports both sustainability and community collaboration!

Celebrate Earth Day at Home!

Celebrate Earth Day by taking small, meaningful steps to care for our planet, right from home or in your neighborhood.

- Plant something new: Start a small garden, plant a tree, or add pollinator-friendly flowers to your yard.
- Host a cleanup: Spend time outdoors collecting litter around your neighborhood or local park.
- Reduce and reuse: Try a plastic-free day or up-cycle household items into art or organizers.
- Conserve resources: Turn off lights, shorten showers, and reuse water for plants.
- Learn together: Read an Earth-themed book or watch a nature documentary as a family.

Project SOAR is a consortium supported by the Community Education Departments of the Minnetonka, Hopkins, St. Louis Park and Wayzata School Districts.

Finding Connections through Project SOAR

Meet Amanda, a participant in Project SOAR who has found a true sense of belonging.

"I have definitely made community with Project SOAR," Amanda shared. "I've made so many friends, I've lost track! They've made me feel so welcomed, and I just love Project SOAR."

After growing up in Michigan her whole life, she moved to Minnesota and started over, building new roots and connections through her involvement with Project SOAR.

She credits staff and friends, like Lindsay and Jordan, for making her feel at home right from the start. "They have been so helpful and welcoming," Amanda said. "It's been great for me and even my cat Phoebe!"

Through Project SOAR, Amanda has built lasting friendships and found a place where she feels connected and supported.

Finding Connection through Yoga

Gentle Yoga with instructor Renae Ask has become much more than a class. "Several of us have been with Renae for years and have really gotten to know each other," one participant shares. "We swap stories, share photos and even gather outside of class."

"Afterward, I'm always glad I went. It's refreshing to look out the windows, whether at fall leaves or winter snow and learn something new from Renae, who always brings fresh ideas and poses.

For many in the group, yoga has become a place to move, recharge and *connect* with themselves and each other.

Terms & Conditions

Cancellation Notice: Participants will be notified if there is a change in the date/location of the class or if the class is canceled. MCE confirms registrations via email with participants who share their email addresses during the registration process.

Checks with insufficient funds, declined debit cards, credit cards and ACH payments: All returned checks, declined or invalid credit cards and ACH payments will be charged a $15 fee.

Refund Policy: Generally, full refunds are given when MCE cancels a class. Unless otherwise noted online, refunds (less a $10 cancellation fee), will be given when a participant cancels a registration at least five business days before the start date of the class. Partial refunds will be considered if injury or serious illness occurs. *(Please note: Minnetonka Preschool, ECFE, Explorers, Basketball, Ski and Snowboard Club, Tour de Tonka, Minnetonka Swim Club and other programs have separate refund policies. See our website for details.)*

Data Privacy: Your privacy is important to us. The registration information you provide to MCE is considered private data under state and federal law. We use the information you provide for the purposes of administering the activity and to contact you about upcoming activities. While you may choose to withhold this information, there may be consequences that could limit the distribution of information to the participant (e.g., no team roster or class list). Access to your contact information is limited to individuals involved in the activity.

Participation Waiver: I hereby release Minnetonka Community Ed and any other organizations, cities or individuals associated with this program from any responsibility for injuries or damages that I may sustain as a result of my participation.

Photo Consent: Unless you notify MCE in writing, photos taken within MCE classes, programs, activities and events may be included in MCE publications and websites.
