### **Construction Career Days-Howell**

April 30th 7:00am-1:30pm. A day of exploration for students interested in the construction field. Students will be leaving from KCTC and returning to KCTC. You do NOT have to be a KCTC student to attend this trip. Lunch is provided. Students can sign up using this [LINK](#).

## **Dual Enrollment Opportunity:**

Dual enrollment opportunity for any students that are interested in pursuing a career in health, fitness, medicine, or sports. ATR 150: Introduction to Athletic Training is a 3-credit, online, asynchronous course with no prerequisites. It is open to any student, regardless of career aspirations, but could kickstart progress for students interested in our 3+2 BSAT/MSAT program. It is one of CMU's Fire Up! Forward dual enrollment courses that qualify for additional funding support from the state, leaving the student/family with minimal costs. Talk to your counselor for more information.

## **Lumiere Research Scholar Program**

### **Create an independent research paper. Work with top researchers**

Students often look for that “something extra” beyond their high school classes—a challenge that lets them explore their passions more deeply and push themselves academically. The Lumiere Research Scholar Program is designed exactly for that.

Founded by Harvard and Oxford PhDs, Lumiere pairs motivated students with world-class researchers to design and complete an independent research paper in just 12 weeks. Students can showcase their work through journals and competitions, and even earn academic credit from UCSD—all virtually, from anywhere in the world.
